The Autobiography of a Maverick Christian Davion Maurice Woodman, 2021-04-27 When I was a young baby boomer growing up in Los Angeles and Inglewood California I felt the maverick in me My favorite TV shows were the westerns of the 1950s and 1960s I always admired the cowboys and gunslingers for their strong character and courage Like them I also was unconventional and independent and did not think or behave in the same way as my peers or others Occasionally I was rebellious and did not take orders readily As I grew and became a man I always felt confident in myself as a leader and I rarely regarded others especially my peers as being my even change or equivalent However to become a real man I needed leadership where I was weakest So I often sought from adult men righteousness truthfulness boldness faithfulness loyalty and authenticity I needed a man with good strong character who told the truth and spoke to me in a language that I understood not to discourage me or criticize me unfairly but to elicit from me my best traits Honestly I needed another maverick Christian to lead me away from destruction and into life Perhaps you feel the maverick in you Whether life is currently good bad or ugly I invite you to experience my Christian journey of aligning with the ultimate high priest for all mavericks Pray to God right now and ask Jesus to be your Savior He is able to inspire the wildest of us
