

IB Economics Independent Reading Micro-Presentation Assignment

Purpose:

This assignment helps you connect real-world economics to the IB syllabus while improving your ability to think, speak, and analyze independently. You will choose and read one book related to economics — this may be nonfiction, narrative, or even a biography/autobiography of someone whose work is connected to economics or business.

Task Overview:

- Choose one book that links clearly to economics (theory, business, finance, development, or economic decision-making).
- Prepare a verbal presentation lasting **no more than 5 minutes** using **no more than 5 slides**.
- Your goal is to explain the book's main ideas and connect them to at least **two IB Economics concepts or models**.

Presentation Requirements:

1. Identify the book title, author, and topic focus.
2. Explain two IB Economics concepts shown in the book (use IB terminology).
3. Apply one labeled economic model or diagram that fits the story or person.
4. Use at least one piece of evidence or data from the book.
5. Evaluate the argument: what works, what doesn't, or what surprised you?
6. If you read a biography or autobiography, include a short **"Lessons from a Life"** section explaining what economic choices the person made and what you learned.
7. End with your personal insight or takeaway.

Format Rules:

- Teacher must approve the book at least two weeks before assignment due date
- Students cannot read the same book – approvals are on first come-first approved basis
- 5 minutes maximum speaking time.
- No more than 5 slides; minimal text, clear visuals.
- Bring the book or your verified e-copy to class.
- Expect to answer follow-up questions about the content and diagram.
