Shakespearean Representation

S. Ryle

Shakespearean Representation:

Shakespearean Representation Howard M. Felperin, 2015-03-08 We are often told that Shakespeare is our contemporary yet we insist just as often on the Elizabethan quality of his work as it reflects a culture remote from our own. Beginning with this paradox Howard Felperin explores the question of modernity in literature. He directs his attention toward several older poets and examines Shakespeare in particular to show how literary modernity depends not on chronological considerations but on the process of mimesis or imitation that art has traditionally claimed for itself. In analyzing Shakespeare's major tragedies Professor Felperin notes that each carries within it a model of its dramatic prototypes and therefore requires a conservative response from its interpreters. In the interest of being truer to life than its model however each play departs from that model and so requires a Romantic or modernist response as well. The author contends that Shakespeare's meaning arises from this ambivalent relation to the forms of the past. Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Shakespearean Representation... P. H. Fitzgerald, 1908 [Shakespearean Representation](#)

Percy Hetherington Fitzgerald, 2015-07-08 Excerpt from *Shakespearean Representation: Its Laws and Limits*. The following speculations on what is a deeply interesting subject have engrossed many years thought and careful study. It will be noted that they help to form a consistent theory. That I have some claim to speak on the subject will be seen from the long list of works upon the stage and stage life which I have written during the past forty years or so. I have also served as a dramatic critic and have written for the stage. At the same time I will admit that many things will be found here which seem overcharged and stated too strongly. There are general statements of abuses which might be accounted as particular. But the would-be reformer is always inclined to this failing and the practised reader is accustomed to discount all such sweeping utterances. This refers particularly to what I have said of acting and of the system followed on our boards. We have actors and actresses who act according to the most intelligent instincts and principles but this cannot be extended to the bulk of the profession who have a special standard of their own. Mr Sidney Lee in a recent thoughtful work has also dealt with this matter of modern Shakespearean representation though not after the minute fashion that I have done. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition. We do however repair the vast majority of

imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Shakespearean Representation; Its Laws and Limits Fitzgerald

Percy Hetherington 1834-1925,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Shakespearean Representation: Mimesis and Modernity in Elizabethan Tragedy Howard Felperin,1977 *Cultural Readings of Restoration and Eighteenth-Century English Theater* Deborah Payne Fisk,J. Douglas Canfield,2010-12-01 Ranging in approach from feminist to historicist the eleven essays in this collection share the culturalist premise that the drama of late Stuart and early Georgian England helped to constitute the dominant ideology of the period The contributors varied approaches allow for the reconsideration of libertinism the politics of sexual desire and other classic issues as well as such newer concerns as the social construction of the first English actresses empiricism as an emergent epistemological discourse cultural anxiety about novelty and repetition and shifting tropes of inherent worth By reading well known works in unexpected ways and focusing on less frequently studied dramatists from Sedley Motteux Pix and Behn to Manley Trotter and Shadwell the contributors also test the limits of the canon In addition they suggest that earlier critical perceptions perhaps even more than the innate worth of the plays determined the shape of the canon These essays present a different image of Restoration and eighteenth century theater one that reveals how the drama was a site as important for the negotiation of cultural meaning as were novels and verse satires

Shakespeare, Cinema and Desire S. Ryle,2013-11-13 Shakespeare Cinema and Desire explores the desires and the futures of Shakespeare s language and cinematographic adaptations of Shakespeare Tracing ways that film offers us a rich new understanding of Shakespeare it highlights issues such as media technology mourning loss the voice narrative territories and flows sexuality and gender

Narrating the Visual in Shakespeare Richard Meek,2017-03-02 This book examines Shakespeare s fascination with the art of narrative and the visuality of language Richard Meek complicates our conception of Shakespeare as either a man of the theatre or a literary dramatist suggesting ways in which his works themselves debate the question of text versus performance Beginning with an exploration of the pictorialism of Shakespeare s narrative poems the book goes on to examine several moments in Shakespeare s dramatic works when characters break off the action to describe an absent offstage event place or work of art Meek argues that Shakespeare does not simply prioritise drama over other forms of representation but rather that he repeatedly exploits the interplay between different types of mimesis narrative dramatic and pictorial in order to beguile his audiences and readers Setting Shakespeare s works in their literary and rhetorical contexts and engaging with contemporary literary theory the book offers new readings of Venus and Adonis The Rape of Lucrece Hamlet King Lear and The Winter s Tale The book will be of particular relevance to readers interested in the relationship

between verbal and visual art theories of representation and mimesis Renaissance literary and rhetorical culture and debates regarding Shakespeare's status as a literary dramatist

The Shakespearean Library of Mr. Eustace Conway of New York City Eustace Conway, 1924

The Representation of Gender in Shakespeare's 'Macbeth' and 'Antony and Cleopatra' Verena Schörkhuber, 2007-09 Seminar paper from the year 2006 in the subject English Language and Literature Studies Literature grade A University of Edinburgh course Tragedy History and Sovereignty in Late Medieval and Early Modern Poetry and Drama 18 entries in the bibliography language English abstract Building on the assumption that differences between the sexes in tragedy are defined through competing representations of heroism this paper shall take a closer look at the representation of gender in two premodern tragedies Shakespeare's Macbeth and Antony and Cleopatra The aim of this paper shall be to provide a short introduction to Shakespeare feminist criticism which will be supplemented with an overview of various notable instances of the representation of gender in these two works

Costuming the Shakespearean Stage Robert I.
