## **Shalom Peace:**

**The Israeli Peace Movement** Tamar S. Hermann, 2009-09-14 This book discusses the predicament of the Israeli peace movement which paradoxically following the launching of the Oslo peace process between Israel and the Palestinians in 1993 experienced a prolonged fatal decline in membership activity political significance and media visibility After presenting the regional and national background to the launching of the peace process and a short history of Israeli peace activism the book focuses on external and internal processes and interactions experienced by the peace movement after some basic postulates of its agenda were actually although never explicitly embraced by the Rabin government The book concludes that despite its organizational decline and the zero credit given to it by the policy makers in retrospect it appears that the movement contributed significantly to the integration of new ideas for possible solutions to the Middle East conflict in the Israeli mainstream political discourse

**Mobilizing for Peace** Benjamin Gidron, Stanley N. Katz, Yeheskel Hasenfeld, 2002-06-28 Mobilizing for Peace brings together the work of international experts to provide an in depth study of thirty three peace conflict organizations in Northern Ireland South Africa and Israel Palestine The contributors show how the sociopolitical and cultural context of the conflict in each region has shaped the type of resolution organizations that have emerged and their conception of the conflict and its resolution By promoting more humane images of the contestants and by offering alternative peaceful approaches to resolve the conflict the organizations have successfully galvanized previously weak or non existent pro peace political forces to become important players in the political struggle for peace

*Shalom* Perry Yoder, 2017-03-24 The biblical challenge of shalom is one which ought to draw all Christians together in a common struggle so that God s will might be done and God s kingdom might come on earth as it is in heaven People as well as structures need to be transformed People who are caught in oppressive structures need to be liberated from the values and perspectives inculcated by these structures The shalom maker as a result is involved in a mission of conversion converting people to a new understanding and way of life This conversion based on God s love for them

in Jesus frees them from old patterns of thought If we struggle for shalom we shall suffer because we are actively confronting and resisting the structures of oppression and working for the liberation of powerless and oppressed people Shalom love is not love at a distance not love in the abstract not love in the rocking chair it is the love of confrontation of strike of protest and of disobedience to the structures of violence Shalom love is suffering love because it is militant love struggling for human liberation justice and shalom which is God s will for our world
