A Gentle Journey of Love Vani Vias,2024-09-18 It is a gentle journey of love how are 2 persons fall in love with each other due to some reason they come close And after some time they depart from each other's life in the form of breakup how do those persons feel all are there in the book This can younger generation realise that love is so pure but we can't trust on any one like this love is a beautiful experience love can't be defined but after breakup and insecurity emotions shatters because I don't want audience will suffer from the phase of shattered emotions because it really painful **Broken But not**

Forgotten PJ Anderson,2018-11-01 Back Page Without my past I would never be who I am today God has taken all the pain and turned it around for my good and heaven's gain Once you walk through the door of healing it is your responsibility to embrace your healing We can get deliverance and still not be free We can be delivered from abuse but never truly free because we are still looking through eyes and mindset of the abused victim Once healed don't look back at what you were or what happened to you You are a new person in Christ Move pass your past Just like an animal who was raised in a cage and never let out let someone open the door It will never go out because it doesn't realize it's free We can get delivered and never walk through the open door or shake off the chains that have us bound What the devil meant for your harm God can turn it around for your good and his glory only if you are willing to allow him into your brokenness Until you let your past die it will not let your future live You have to forgive even yourself Great people of faith they follow Jesus away from the pain of the past Take the path God has chosen for you not the path man told you to go down **Hopeless Me: A Tribute to All**

Broken Hearts Rakhi Das,2025-10-02 *Hopeless Me A Tribute to All Broken Hearts* is a heartfelt expression of the emotions we often hide within ourselves It speaks to the pain of being left alone the sorrow of not being chosen and the ache of feeling unloved Through raw and simple words it captures the silent battles we fight in our hearts every day This work is not just about heartbreak it is about the strength it takes to survive it Each piece is a mirror to the soul reflecting the unspoken feelings many are afraid to admit Readers will find themselves in its lines realizing they are not alone in their pain *Hopeless Me* is a tribute to everyone who has loved deeply lost silently and still carries hope in the shadows It is both a cry of despair and a gentle reminder that broken hearts can still beat strongly More than just words it is an embrace for anyone who has
