

THE SHAWSHANK REDEMPTION: THE SHOOTING SCRIPT®

"Deliberate, considered, and thoughtful. . . . Frank Darabont constructs the film to observe the story, not to punch it up or upstage it."—**ROGER EBERT**

"I urge you to read Frank's screenplay and enjoy it, but also to marvel over it: you are, in the real sense, reading a dream come true, a miraculous triumph of art over the bunk."

—**STEPHEN KING**, from his Introduction

"This is the script in its original form. It's the one I wrote, the one Castle Rock decided to make, the one my cast and crew dealt with every day. It's got plenty of warts on display—things that changed, locations that shifted, entire scenes that aren't in the movie. Following the screenplay, you'll find a section titled *Mutatis Mutandis*, which describes why things changed."

—**FRANK DARABONT**, from his Introduction

This modern film classic, an extraordinary tale of hope and survival inside a maximum security prison, follows the complex twenty-year relationship between two convicts who have little in common—except friendship. Based on the novella *Rita Hayworth and The Shawshank Redemption* by Stephen King, director/screenwriter Frank Darabont's film, starring Tim Robbins and Morgan Freeman, was nominated for seven Academy Awards®, including Best Picture and Best Screenplay and has been named one of the 100 Best Films of All Time by the American Film Institute.

FRANK DARABONT's first two feature films received Best Picture Academy Award® nominations: *The Shawshank Redemption* (1994) and *The Green Mile* (1999). Other film and TV projects include *The Majestic* (2001), *The Mist* (2007), and AMC's *The Walking Dead*, among many others.
