A painting of a Venetian canal scene. The view is from a high angle looking down a narrow canal. On the left, a building has a balcony with a dark awning. On the right, a multi-story building with windows and a balcony is visible. In the distance, a stone bridge with a single arch spans the canal. The lighting is warm, suggesting a sunset or sunrise, with a golden glow over the scene.

Shylocks Daughter:

Wrestling with Shylock Edna Nahshon, Michael Shapiro, 2017-03-10 Shakespeare's *The Merchant of Venice* occupies a unique place in world culture. As the fictional albeit iconic character of Shylock has been interpreted as exotic outsider, social pariah, melodramatic villain, and tragic victim, the play which has been performed and read in dozens of languages has served as a lens for examining ideas and images of the Jew at various historical moments. In the last two hundred years, many of the play's stage interpreters, spectators, readers, and adapters have themselves been Jews whose responses are often embedded in literary, theatrical, and musical works. This volume examines the ever-expanding body of Jewish responses to Shakespeare's most Jewishly relevant play.

Living under the Evil Pope Martina Mampieri, 2019-11-26 In *Living under the Evil Pope* Martina Mampieri presents the Hebrew Chronicle of Pope Paul IV written in the second half of the sixteenth century by the Italian Jewish moneylender Benjamin Ne'emiah ben Elnathan, alias Guglielmo di Diodato from Civitanova Marche. The text remained in manuscript for about four centuries until the Galician scholar Isaiah Sonne (1887-1960) published a Hebrew annotated edition of the chronicle in the 1930s. This remarkable source offers an account of the events of the Papal States during Paul IV's pontificate (1555-59). Making use of broad archival materials, Martina Mampieri reflects on the nature of this work, its historical background, and contents, providing a revised edition of the Hebrew text as well as the first unabridged English translation and commentary. Martina Mampieri has been granted a special mention of excellence in the Alberigo Award 2021 by the European Academy of Religion and Fondazione per le Scienze Religiose (<https://www.europeanacademyofreligion.org/alberigo-award>) and a special mention of excellence in the Pirovano Award 2022 by the Istituto Luigi Sturzo in Rome (<http://sturzo.it/blog/2023/06/12/assegnazione-del-premio-desiderio-pirovano-2022>). Martina Mampieri provides scholars with a source of great interest which helps better understand the complex period following the election of Pope Paul IV Carafa from a Jewish perspective. This is undoubtedly an important book that contributes to the advancement of our knowledge regarding that historical moment.

Alessandra Veronese *AJS Review* 45:1 (2021). This valuable source is now available to the many, including and this is no small thing those who study the history of historical writing for itself, as that writing began emerging from the shadows at just this time. We are deeply indebted.

Kenneth Stow, University of Haifa, Emeritus *Journal of Modern Jewish Studies* 20:1 (2021). By triangulating important themes in early modern history with a rich and lengthy narrative source, Mampieri has produced an outstanding contribution to the ever-growing literature on interreligious and intercultural relations in the Papal States.

Frank Lacopo *Sixteenth Century Journal* LIII:2 (2022).

The Character of Shylock in the Merchant of Venice Michael Burger, 2008-05 Seminar paper from the year 2007 in the subject English Language and Literature Studies, Literature grade 2.0 University of Augsburg, course Proseminar 9 entries in the bibliography, language English, abstract William Shakespeare's *The Merchant of Venice* surely can be considered one of the playwright's greatest works. Still today, critics are not fully aware of its actual meaning, and there are many different

opinions of how this play is to be interpreted As a matter of fact we can say that Shakespeare has created one of the most diverse plays in the history of drama Containing two equally important plot lines and several sub plots it is very difficult to make out even one main character or to be absolutely sure about their variety of intentions On the one hand there is one of the main characters the Jew Shylock a comic antagonist far more important than any such figure had been in his Shakespeare s earlier comedies who plays the role of a non Christian villain And opposing him we have the Venetian society with all its flaws and hypocrisies which are pointed out during the conflict with Shylock On the other hand there is the romantic love story between Portia and Bassanio located in remote Belmont which is the actual trigger for the conflict between Antonio and Shylock and also brings a solution to it This solution is due to Portia s cunning and liberation as a woman which can be seen in her disguising as the judge in order to be able to save Antonio s life there are only two qualities which are supposed to be quite unusual for a female character of that time But at the same time she has to fulfil her typical role as a faithful daughter whatever the consequence yielding to fate by obeying her father s will And Portia is not the only ambiguous and exceptional figure of the play

The Merchant of Venice William Baker, Brian Vickers, 2005-03-01 The Merchant of Venice has always been regarded as one of Shakespeare s most interesting plays Before the nineteenth century critical reaction is relatively fragmentary However between then and the late twentieth century the critical tradition reveals the tremendous vitality of the play to evoke emotion in the theatre and in the study Since the middle of the twentieth century reactions to the drama have been influenced by the Nazi destruction of European Jewry The first volume to document the full tradition of criticism of The Merchant of Venice includes an extensive introduction which charts the reactions to the play up to the beginning of the twenty first century and reflects changing reactions to prejudice in this period Material by a variety of critics appears here for the first time since initial publication Reactions are included from Malone Hazlitt Jameson Heine Knight Lewes Halliwell Phillips Furnivall Irving Ruskin Swinburne Masefield Gollancz and Quiller Couch
