sympathies with our fellow human beings Page is more interested in posing questions than imposing answers and fascinated as she is by a wide range of ideas from ancient mysticism to modern neurophysiology it is images endlessly evocative and suggestive that matter to her most Her comments on A M Klein from A Sense of Angels one of the most moving and perceptive tributes by one poet to another apply very much to the P K Page we see in The Filled Pen For all his interest in the immediate world for all his acceptance of ideological and psychological theory he seemed to reach beyond both to a larger reality
