

What thoughts and emotions,
positive or negative, came up for
you while you were on set for
"The Reclamation of Fashion"?

I'm not gonna lie. Coming into it, I was very nervous, just
because it was my first time doing any modeling or
anything like that standing in front of a camera. So I was
definitely very nervous.

But honestly, after getting to talk to all of you guys on set,
and just being around everyone, I felt very instantly very
welcomed. And it was a very comforting environment for
me. I felt very comfortable, I felt very seen, represented,
and ultimately celebrated. Each and every single one of
us that worked on that project, we all uplifted each other
and we all celebrated each other.
