## Runaway Whale:

**The Runaway Whale** Keith Faulkner, 1990 A little humpback whale goes exploring on his own but finds that he misses his mother [Strandings](#) Peter Riley, 2022-02-24 Now the subject of a BBC Radio 4 documentary Wild and wonderful I doubt anyone will ever match Strandings for its sheer bravura its wry insight and its absolute engulfing and brilliantly enlivening whaleheadedness PHILIP HOARE ALBERT AND THE WHALE Addictive and scandalously fascinating Caught by the River When Peter Riley was thirteen a woman with blue hair and a comet tattoo asked him to help load the jaw of a sperm whale into the back of a Volvo 245 The encounter set Riley on a decades long quest to make sense of what had happened Enter the secretive world of whale scavengers When a whale washes up on one of Britain's coasts a fugitive community descends to claim trophies from the carcass Some are driven by magical beliefs Some are motivated by profit there is a black market for everything from ambergris to whaletooth sex toys But for others the need goes much deeper Join Riley on a tour of a stranded kingdom's weird outer reaches where nothing is as it seems Meet witches peddlars fetishists conspiracy theorists and fallen aristocrats And prepare for a final revelation as the mystery of the comet woman tangles with the enigmatic symbol of Leviathan itself beached on Britain's fatal shore [Whaling Masters](#) Federal Writers' Project, 1987-01-01 This history of the whaling industry in New England includes a lengthy and very valuable list of the whaling masters their ships their home ports and the years in which they first sailed A classic text [Crossing the Sahara by Scooter](#) Linda Appleby, 2011-06-01 Description This is a diverse collection Variety is the hallmark of the poems You cannot take one of two poems alone and become familiar with the poet's style The subject matter is the most uniform aspect These poems are about the struggle for respect the establishing of a place for a sufferer from schizophrenia through life on the hospital ward and homelessness The stage is set with natural scenery the hills and streams of South Cambridgeshire the bleak but potent fens A Welsh valley backdrop The poet's characteristic affinity with Nature is manifest in the weather and the seasons Her personal battle is fought out with thunder and rainbows by the elements Not an impersonal photograph but the countryside personified in emotion and spirit There is variety in spiritual orientation an eclectic but not too eclectic use of Buddhist Pagan and Christian traditions bound into a totally original philosophy Ballads songs hymns even a recognisable borrowing from the oral and sung forms but also free verse haiku rhyme or not the romantic the modern And humour If you sample across the whole range you will build a complete picture of one woman's slow wrestle for dignity and connection About the Author I was born in Cambridge five years after my Mum and Dad had come here from Wales in 1951 We were townies but there was plenty of contact with the university the major local industry Fascinated I worked hard and got a free place to The Perse Girls School three school prizes and places at Somerville and Wadham Colleges Oxford I got a degree in Philosophy Politics and Economics but remained passionate about literature music and the music of literature poetry Devoted to study all that my school remembered was that you were the one with the emotional problems But how could I grow and achieve

things when there was so much forcing me to give it all up I feel I was being kept by some in a dark place where I would not flower It is not surprising that I was confused by messages of high achievement and social expectations of loyalty and support for the less fortunate These conflicts would not go away Love of the written word led me into English teaching but my personality problems I presume meant that my career never really took off Two lovely sons divorce full time teaching I was exhausted and sectioned in 2000 They diagnosed schizophrenia I was homeless The rest of my story is in the poems

Shadow Dance David Richo,2024-01-02 Discover how to embrace the dark side of your personality the unconscious and repressed aspects or the shadow self as introduced by Carl Jung to live a fuller more authentic life 25th Anniversary Edition Our shadow is the collection of negative or undesirable traits we keep hidden the things we don t like about ourselves or are ashamed of but it also includes our positive untapped potential The shadow is often a source of creative inspiration and greater self acceptance Befriending the shadow makes fear an ally and enables us to live more authentically It also automatically improves our interpersonal relationships because we are freed from the need to project our own negativity onto others and we become more acutely aware when theirs is projected onto us David Richo looks for where the shadow manifests in our personal life family interactions religion relationships and the world around us He shows how to use the gentle practice of mindfulness to work with our shadow side and he provides numerous exercises for going deeper He is remarkably skillful at making the shadow concept not only easy to understand but supremely practical for enhancing the quality of our lives      *Palaeontological Bulletin* ,1913      **The Junior Classics: Animal and nature stories** ,1918      **The junior college atlas** Junior college atlas,1872      *Year-Round Units for Early Childhood* Jan Burda,2001-02 September June

*House of War* James Carroll,2007-06-04 A masterful achievement Carroll s prose is elegant his viewpoint bold Howard Zinn author of *The People s History of the United States* One cannot understand the impact of the Pentagon on US foreign policy without reading James Carroll s *House of War* Lawrence Korb former Undersecretary of Defence under Ronald Reagan From the National Book Award winning author of *An American Requiem* and *Constantine s Sword* comes a sweeping yet intimate look at the Pentagon and its vast often hidden impact on America This landmark myth

shattering work chronicles the most powerful institution in America the people who created it and the pathologies it has spawned James Carroll proves a controversial thesis the Pentagon has since its founding operated beyond the control of any force in government or society It is the biggest loosest cannon in American history and no institution has changed this country more To argue his case he marshals a trove of often chilling evidence He recounts how the Building and its denizens achieved what Eisenhower called a disastrous rise of misplaced power from the unprecedented aerial bombing of Germany and Japan during World War II to the shock and awe of Iraq He charts the colossal U S nuclear buildup which far outpaced that of the USSR and has outlived it He reveals how consistently the Building has found new enemies just as old threats and funding evaporate He demonstrates how Pentagon policy brought about U S indifference to an epidemic of genocide during the 1990s And he shows how the forces that attacked the Pentagon on 9 11 were set in motion exactly sixty years earlier on September 11 1941 when ground was broken for the house of war Carroll draws on rich personal experience his father was a top Pentagon official for more than twenty years as well as exhaustive research and dozens of extensive interviews with Washington insiders The result is a grand yet intimate work of history unashamedly polemical and personal but unerringly factual With a breadth and focus that no other book could muster it explains what America has become over the past sixty years
