Master Of Life Wisdom:

Masters of Life on Transforming Earth into Heaven Tommy S. W. Wong, 2018-01-01 This book is a sequel to *Masters of Life on Meaningful Living* and *Masters of Life on Good Life and Good Society*. Moving beyond good society, this book explores how to transform Earth into heaven. In this book, a young man Tom has conversations with two masters of life: Guru Dick and Guru Harry. Guru Dick epitomizes someone from a worldly society who emphasizes the importance of money and power, while Guru Harry epitomizes someone from a spiritual society who considers peace, love, joy, and harmony more important. In the two conversations, the discussions include cultures, education, politics, religion, and a new philosophical approach to spirituality. Finally, the two gurus offer contrasting views on how to bring heaven to Earth. For those who are interested in transforming Earth into heaven, this book offers a fresh perspective. **Masters of Life on Meaningful Living** Tommy S. W.

Wong, 2013-07-24 In this book, a young man Tom has conversations with Guru Dick and Guru Harry. In the conversations, Tom quizzes the gurus on how to become a master of life. Guru Dick explains that to become a master of life, one has to be rich and powerful and able to control life. On the other hand, Guru Harry expounds that a master of life is someone who lives spiritually and is able to offer help and kindness. The gurus further offer contrasting views on what is meaningful living. Among various aspects of living, the gurus discuss the following: 1. Is giving to charity meaningful? 2. Is going to holy places to pray, sing, and do volunteer work meaningful? 3. Is entering politics meaningful? Finally, the gurus give their own definitions on living a meaningful life. For those who are interested in meaningful living, this book offers a fresh perspective. *Mastering Life*

Jason Powell, 2012-07-27 *Mastering Life* is for people from all ages and walks of life who are seeking divine truth on how to get the good out of life. It will bring solutions to areas of personal challenge by teaching the individual how to produce enjoyable, peaceful, and abundant living conditions in every area of life: spiritually, mentally, physically, socially, and financially.

Masters of the Game Prem Chopra, 2009 *Mastership and the Understanding of Life* King Solomon David Jesse Ete, 2009-02-01 Today it pleases ME THE FATHER GOD THE CREATOR OF THE UNIVERSE to give this Lecture Revelation titled THE MASTERSHIP THE TOTAL YOU WISDOM UNDERSTANDING AND KNOWLEDGE. This Lecture Revelation is deep because it is the key of life to open the door of your spiritual self. The key of life that I AM giving you is the SCHOOL OF THE HIGHER SELF, which I have been talking about, but people do not seem to comprehend. The SCHOOL OF THE HIGHER SELF is the BROTHERHOOD MASTERSHIP. Physically, therefore, if you come into this world and do not reach this stage of BROTHERHOOD MASTERSHIP, you are causing confusion. Without being MASTER, do you not see confusion, fighting, quarrelling, and argument with people doing one thing or the other, wrongly thinking that they are right? That is how people who are not MASTERS to themselves behave. **Masters of Preaching** Ray E. Atwood, 2013-12-19 Who were Catholicism's greatest orators? What was the key to their effectiveness? Was it mere scholastic ability or spiritual inspiration? The answer is both. In this follow-up work, Father Ray E. Atwood examines the lives, theologies, and preaching examples of the Church's

greatest preachers This book tells the story in biographical form of Catholic preaching from the Old Testament through today concluding with the homilies of Benedict XVI Masters of Preaching takes the reader around the world in search of homiletic gems Readers will learn about the stories of familiar figures such as Saint Gregory the Great and less familiar figures such as Monsignor Francis Friedl Readers will also discover how these men moved their congregations to deeper faith and greater understanding of the mysteries of salvation Two appendices at the end of the book serve as a terrific resource for those looking for practical illustrations of lectionary themes This book is an excellent resource for anyone interested in the subjects of public speaking and Church history
