Murder In Boston:

Murder in Boston Ken Englade,2014-12-09 A shocking true story of crime punishment and injustice in a major American city Charles Stuart claimed it was a black man who carjacked him shooting both himself and his wife ending both her life and the life of their unborn child The accusation and subsequent manhunt enflamed the long simmering racial tensions of Boston leading to the arrest of an innocent man It was then discovered that Stuart had killed his wife and shot himself to cover up the crime seeking a big insurance payout When his crimes were exposed Stuart jumped off a bridge to his death Ken Englade explores the story with panoramic vision and a stunning eye for detail Looking at the crime itself and the police response Englade shows how Stuart s crime unraveled how the truth came out and what the media s response can tell us about the biases through which we view the worst of crimes

Murder in Boston Ken Englade,1990 Recounts the story of Charles Stuart who murdered his pregnant wife and attempted to blame the crime on an unknown Black assailant a story the community was too willing to believe

Murder & Mayhem in Boston: Historic Crimes in the Hub Christopher Daley,2015-09-21 Boston s history is checkered with violence and heinous crimes In 1845 a woman lured into prostitution was murdered at the hands of her jealous lover who used sleepwalking as his defense at trial A leg was found floating along the Boston Harbor wrapped in a burlap bag that would later be connected to a woman who was brutally murdered and dismembered by her handyman In the 1970s a string of seemingly unconnected murders led to a killer who became known as the Giggler Christopher Daley explores the tragic events that turned peaceful Boston neighborhoods into disturbing crime scenes

Deadly greed Joe Sharkey,1991-05-01 Recounts the Stuart murder case in which Charles Stuart claimed that his pregnant wife had been shot by a Black man in racially torn Boston but Stuart himself later became the prime suspect

Murder at Breakheart Hill Farm: The Shocking 1900 Case that Grippped Boston's North Shore Douglas L. Heath and Alison C. Simcox,2020 On a dark rainy night in October 1900 George E Bailey caretaker of Breakheart Hill farm disappeared Some suspected foul play right away as Bailey s wife had recently gone to Maine leaving Bailey alone with his farmhand John C Best who was known to be a drunk and a potentially violent man Nine days later when Bailey s dismembered body was fished out of a local pond all eyes quickly focused on Best Crowds descended on the farm and the sensational murder captured headlines in Boston s newspapers Back cover

Deadly Greed Joe Sharkey,2017-01-17 The true crime story of a Boston man who murdered his pregnant wife and pinned the crime on a black man the case behind HBO s Murder in Boston On October 23 1989 affluent businessman Charles Stuart made a frantic 911 call from his car to report that he and his seven months pregnant wife Carol a lawyer had been robbed and shot by a black male in the Mission Hill neighborhood of Boston By the time police arrived Carol was dead and the baby was soon lost as well The attack incited a furor during a time of heightened racial tension in the community Even more appalling while the injuries were real Stuart s story was a hoax He was the true killer But the tragedy would continue with the arrest of Willie Bennett a young man Stuart

identified in a line up Stuart's deception would only be exposed after a shocking revelation from his brother and finally his suicide when he jumped into the freezing waters of the Mystic River As the story unraveled police would put together the disturbing pieces of a puzzle that included Stuart's distress over his wife's pregnancy his romantic interest in a coworker and life insurance fraud In an account that builds and grips like a novel Kirkus Reviews New York Times journalist Joe Sharkey delivers a picture of a man consumed by naked ambition unwilling to let anyone or anything get in his way Library Journal Revised and updated this ebook also includes photos and a new epilogue by the author *List of Works in the New York Public Library Relating to Criminology, Pt. campaign Perhaps the most formidable enemies of the Commonwealth of Massachusetts and the U S government were ultimately their own political leaders who seemed powerless to rebut an all or nothing international propaganda campaign designed to succeed with Sacco and Vanzetti playing the role of willing martyrs That few supporters of the Sacco Vanzetti movement realized this effort distorted the historical accuracy of the case for decades after the men were executed More than 70 years later historians and scholars must separate the myth from the reality an extremely difficult task given the passage of time and the still largely accepted view that Sacco and Vanzetti were victims of political persecution The Combat Zone Jan Brogan,2021-09-24 The story of a Harvard student s murder in 1970s Boston amid racial strife and rampant corruption told with careful reporting and historical context Providence Journal Shortlisted for the 2021 Agatha Award for Best Non Fiction and the 2022 Anthony Award for Best Critical or Nonfiction Work At the end of the 1976 football season more than forty Harvard athletes went to Boston s Combat Zone to celebrate In the city s adult entertainment district drugs and prostitution ran rampant violent crime was commonplace and corrupt police turned the other way At the end of the night Italian American star athlete Andy Puopolo raised in the city s North End was murdered in a stabbing Three African American men were accused of the crime The murder made national news and led to the eventual demise of the city s red light district Starting with this brutal murder The Combat Zone tells the story of the Puopolo family s struggle with both a devastating loss and a criminal justice system that produced two trials with opposing verdicts all within the context of a racially divided Boston Brogan traces the contentious relationship between Boston s segregated neighborhoods during the busing crisis shines a light on a court system that allowed lawyers to strike potential jurors based purely on their racial or ethnic identity and lays bare the deep seated corruption within the police department and throughout the Combat Zone What emerges is a fascinating snapshot of the city at a transitional moment in its recent past The grim history of racism in Boston the crime and corruption of the Combat Zone and the legal permutations of the case take up the bulk of the book But its heart lies in a character who wasn t even in the Combat Zone that fateful night the victim s brother Danny Puopolo Providence Journal Includes photographs **Index-catalogue of the Library of the Surgeon-General's Office, United States Army** National Library of Medicine (U.S.),Library of the Surgeon-General's Office (U.S.),1902 Collection of incunabula and early medical prints in the library of the Surgeon general s office U S Army Ser 3 v 10 p 1415 1436
