*The Apollo of God* R. Robert Larsen,2013-03 The existence of God is a provable fact In The Apollo of God author R Robert Larsen seeks to prove this existence by providing hard evidence found in the oracle a history written in advance that intersects with human history past present and future and proves the existence of a supreme deity in the universe In this thought provoking discussion Larsen corrects some long standing notions held by historians Not only does this work shed light into areas neglected or ignored by historians it also provides an explanation of the twelve ways to test an oracle In addition The Apollo of God applies some new insights and corrections to conventional wisdom Viewing the
