Forum and Column Review ,1928 The Private Life of General Omar N. Bradley Jeffrey D. Lavoie,2015-11-18 The life and achievements of General Omar Nelson Bradley are legendary During World War II the five star general was a key figure in the D Day invasion and the Battle of the Bulge But his private life has always lain just outside the reach of the media Bradley has long been portrayed as a soft spoken gentleman This media driven stereotype has pushed him aside in America s collective memory which more readily recalls flamboyant leaders such as Patton Eisenhower or George C Marshall This book reexamines the prevailing view of Bradley through a reading of unpublished sources and letters paying special attention to his relationship with his second wife Kitty Buhler and his later years 1951 1981 a period largely ignored by previous research Bradley s life was far from boring Behind closed doors were trysts with Hollywood starlets a penchant for gambling at the horse track and hobnobbing with high profile stars writers and political leaders
