

THE MONADIC UNIVERSE

George Zebrowski, author of the best-selling novel *OMEGA POINT*, is a unique and creative talent whose thoughtful and entertaining works have generated great critical praise and gained him a devoted following of readers.

One of these fans is Thomas N. Scortia, who writes in the introduction to this volume: "I have watched George Zebrowski's body of work grow for five years. The distance he has travelled in half a decade is impressive. The rate at which his talent is growing makes me impatient to see the product of his talent twenty years from now. . . . I have watched Zebrowski grow artistically to become one of the leaders of the new generation of science fiction writers. . . ."
