on personal joys and miseries While not meant as a political statement these stories serve as a powerful testimony to the experience of an entire Chinese generation It was my distinct pleasure to have served as in house editor of Kang Xuepei s In the Countryside which was initially her masters of arts thesis at SHSU It was hard to imagine the horrors that these Chinese youth had to go through during that period of Mao s experiment in social engineering and more amazing to realize that most of them came through it all without intense bitterness toward those who thrust them into such perilous and uncomfortable circumstances In this book you will find a sampling of the experiences of zhiqing from many perspectives written in strikingly fine prose Paul Ruffin director Texas Review Press
