## **Monkey Wars:**

**The ^AMonkey Wars** Deborah Blum, 1995-12-14 The controversy over the use of primates in research admits of no easy answers We have all benefited from the medical discoveries of primate research vaccines for polio rubella and hepatitis B are just a few But we have also learned more in recent years about how intelligent apes and monkeys really are they can speak to us with sign language they can even play video games and are as obsessed with the games as any human teenager And activists have also uncovered widespread and unnecessarily callous treatment of animals by researchers in 1982 a Silver Spring lab was charged with 17 counts of animal cruelty It is a complex issue made more difficult by the combative stance of both researchers and animal activists In *The Monkey Wars* Deborah Blum gives a human face to this often caustic debate and an all but human face to the subjects of the struggle the chimpanzees and monkeys themselves Blum criss crosses America to show us first hand the issues and personalities involved She offers a wide ranging informative look at animal rights activists now numbering some twelve million from the moderate Animal Welfare Institute to the highly radical Animal Liberation Front a group destructive enough to be placed on the FBI s terrorist list And she interviews a wide variety of researchers many forced to conduct their work protected by barbed wire and alarm systems men and women for whom death threats and hate mail are common She takes us to Roger Fouts s research center in Ellensburg Washington where we meet five chimpanzees trained in human sign language and we visit LEMSIP a research facility in New York State that has no barbed wire no alarms and no protesters chanting outside because its director Jan Moor Jankowski listens to activists with respect and treats his animals humanely And along the way Blum offers us insights into the many side issues involved the intense battle to win over school kids fought by both sides and the danger of transplanting animal organs into humans As it stands now Blum concludes the research community and its activist critics are like two different nations nations locked in a long bitter seemingly intractable political standoff But if you listen hard there really are people on both sides willing to accept and work within the complex middle When they can be freely heard then we will have progressed to another place beyond this time of hostilities In *The Monkey Wars* Deborah Blum gives these people their voice

**Monkey Wars** Richard Kurti, 2015-01-06 Strikingly original is how Anthony Horowitz author of the Alex Rider series describes *Monkey Wars* Kurti draws from history to deliver a powerful allegory and keeps this effective memorable tale rooted in reality Publishers Weekly Starred Review Sustain the weak Destroy the strong A dark fable in the vein of *Animal Farm* *Watership Down* and *The Wave* this action packed page turner is told entirely from the monkeys points of view and shines a light on the politics of power the rise of tyrants and the personal dilemmas that must be faced when your life is on the line When rhesus monkeys are brutally massacred on the dusty streets of Kolkata by a troop of power hungry langur monkeys Mico a privileged langur becomes entangled in the secrets at the heart of his troop s leadership and is shocked at what he discovers He feels compelled to help the few surviving rhesus especially Papina a young female he befriends even though doing so goes against everything he s been taught As

more blood is spilled Mico realizes that choosing between right and wrong won't be easy Includes a note from the author as well as interesting monkey species facts Additional praise for MONKEY WARS The allure of power even for the most conscientious is portrayed with frightening effectiveness Powerful Kirkus Reviews An imaginative fable about the nature of power and the responsibility of the individual With plenty of action a fascinating epilogue and striking cover art Booklist Following in the tradition of George Orwell's *Animal Farm* and William Golding's *Lord of the Flies* war and politics shape the lives of several monkey troops An interesting premise that will provide readers with an introduction to fascism and political corruption School Library Journal *Monkey Wars* Richard Kurti, 2015 Originally published in the United Kingdom by Walker in 2013 **The Great Wars of India** Shoshee Chunder Dutt, 1884 [The Works of Shoshee Chunder Dutt: The great wars of India](#) Shoshee Chunder Dutt, 1884 **War, Literature, and the Arts**, 2006 **Poems** James Hadfield (of Salford.), 1879 **Proceedings of the United Spanish War Veterans, Department of New York, for the Years ...** United Spanish War Veterans.
