Francis Fisher Browne, Waldo Ralph Browne, Scofield Thayer, 1915 **Genealogy and Literature** Lee Quinby, 1995
Traditionalists insist that literature transcends culture Others counter that it is subversive by nature By challenging both
claims Genealogy and Literature reveals the importance of literature for understanding dominant and often violent power
knowledge relations within a given society The authors explore the ways in which literature functions as a cultural practice
the links between death and literature as a field of discourse and the possibilities of dismantling modes of bodily regulation
Through wide ranging investigations of writing from England France Nigeria Peru Japan and the United States they
reinvigorate the study of literature as a means of understanding the complexities of everyday experience Contributors
