The Wrong Dead Guy Richard Kadrey, 2017-02-28 A special agent for a supernatural task force hunts down a runaway mummy bent on raising hell in this adventure by a New York Times bestselling author Coop a master thief sort of gone legit save the world from an ancient doomsday device heroism that earned him a gig working for the Department of Peculiar Science a fearsome top secret

government agency that polices the odd and the strange Now Woolrich Coop s boss at the DOPS has Coop breaking into a traveling antiquities show to steal a sarcophagus containing the mummy of a powerful Egyptian wizard named Harkuf Coop pulls off the heist without a hitch And it s not his fault that when DOPS opened the sarcophagus they didn t find the mummy they were expecting Well it was the right mummy but it wasn t exactly dead and now it s escaped Being a typical boss Woolrich blames his underling for the screw up and wants Coop to find the missing Harkuf pronto Digging into Harkuf s history Coop thinks the mummy is hunting for an ancient magical manuscript that will help bring his old lover back to life Which wouldn t be so bad if she wasn t a warrior sorceress hell bent on conquering the world with undead armies Coop would very much like to run from the oncoming chaos It s one thing to steal a mummy but another to have to deal with head hunting bureaucrats down on their luck fortune tellers undead mailroom clerks and a rather unimpressed elephant Unfortunately there s nowhere to run If Coop wants the madness to stop he must suck it up and play hero once more But if he manages to save the world AGAIN he s definitely going to want a lot of answers and a raise Praise for The Wrong Dead Guy A goofy flamboyant and breathless horror adventure by one of the genre s sharpest creators Kirkus Reviews The Wrong Dead Guy is a riot It s just plain dangerous fun NPR Kadrey s plotting is as deft as ever weaving eight broad story arcs into one overarching narrative that s entertainingly unpredictable Publishers Weekly **Primo Times** ,1977 My Turn at the Bully Pulpit Greta Van Susteren, Elaine Lafferty, 2003 Welcome to the bully pulpit where opinions fly but common sense rules Here s where you ll find straight talk about the most pressing issues of the day all delivered in the trademark commonsense style of one of America s most popular and admired television news anchors Always resisting the political label that attempts to place people in one ideological camp or another Greta Van Susteren speaks from the mind and the heart not as a liberal or a conservative but as a right thinking sensible citizen Our country is at a critical juncture she writes and too many of us are caught up in old definitions of left and right that no longer apply If I favor the death penalty in some cases does that make me right wing If I think hate crimes legislation is stupid does that make me a conservative If I happen to like and enjoy Ozzy Osbourne and have him on my show does that make me a liberal And if I believe that corporations should be held accountable if their products harm citizens and they should be subject to the rulings of a jury ditto for doctors who commit medical malpractice does that make me a lefty trial lawyer Here s more of Greta in her own words On the military Liberty isn t free As a nation we must provide for the men and women who put their lives on the line for us That means good pay adequate funding for defense and our heartfelt support Vietnam was a very long time ago We Baby Boomers have to wake up and realize that today s military is a different military from the one we grew up with and we are fighting a very different war Patriotism is not a conservative or a liberal thing Patriotism as far as I am concerned is the duty and obligation of every American On the Supreme Court There should be a litmus test for Supreme Court and federal court judges and that test should be their opinion about allowing public access to court proceedings Let cameras inside the courthouse or at least allow

an audio feed to radio What are they hiding On the death penalty It should be legal and available to courts and juries but it should be used extremely rarely and only when we are absolutely certain that a fair trial has taken place On how you look It s your business and nobody else s Your looks and your life are not a democracy not everybody gets a vote Make your appearance and your choices a totalitarian regime you are the boss On fun It isn t a curse word It s actually quite serious business as it makes the hard times livable and the sad times bearable Fun should be part of a work environment too Stuffed shirts and snobs who can t stop and laugh at themselves should be banished In Greta s company you re guaranteed to get a fresh dose of common sense and a good hearty rant on many of the most important issues we face today One more guarantee you ll have some good fun while you re at it
