Rage To Live:

Yearning to Live (Finding the Strength #4) Shirley Anne Edwards, 2022-07-23 A self proclaimed ordinary average girl meets the one larger than life person who will make her yearn for so much more Natalie Benton has nursed more than enough heartbreak in her twenty one years But she doesn't like to complain even though her parents marriage might be falling apart and she's still mourning her brother who committed suicide five years ago On top of that she was recently ghosted by her lover an emotionally detached tattoo artist who ran off to California She's ready to graduate college in a few months but not sure what her next steps will be For now she'll take each day as it comes which has become her mantra as an ordinary average girl in Allentown Pennsylvania where nothing exciting ever happens But fate has other plans for Natalie when a very not ordinary average girl enters her life It's the larger than life Gem Grove one of the most popular singers of the past decade Gem's been hiding out in Allentown while she tries her best to take each day as it comes but her addiction to bigger fame and fortune could lead to her downfall The public may think she's entitled and spoiled but she's ready to prove them all wrong She's more than just a singer who performs on demand She wants to create art with her songs and gain the respect she's always wanted Natalie and Gem shouldn't fit together but they do The ordinary average girl and the larger than life diva might be destined for more but only if they can achieve it together
