Ozark Anthology Gabriel F. Newburger,1938 *An Ozark Anthology* ,1992 *Mine Eyes Unto the Hills* Arthur Joel Bolinger,1960 *Ozark Baptizings, Hangings, and Other Diversions* Robert K. Gilmore,1990-01-01 Ozark Baptizings Hangings and Other Diversions is about the people of a unique corner of America and how they entertained themselves at the turn of the century In the years from 1885 to 1910 most Ozark communities were still relatively isolated from the outside and from each other Thus they had to rely on their own resources for diversion from the difficult and often solitary business of everyday living The most popular of their entertainments were those that brought some theater into their lives They especially delighted in literaries debates mock trials closing of school programs suppers picnics brush arbor revivals and baptizings Then there was the occasional hanging that for audience attention was rivaled only by the political rally The hanging took on all the flavor of high drama even to the impassioned farewell address by the condemned who was carried away by the excitement of it all By their entertainments shall we know them and this account of Ozarkers diversions reveals them in all their independence conservatism sense of place humor dedication to learning love of the spoken language and religious and political intensity No come here an Ozarker s term for a newcomer Robert K Gilmore grew up on an Ozark farm reared by grandparents who were young in the era described in this book Years later he went back to the rural Ozarks and encouraged the people to recall the early days for him They described the entertainments of their youth with a special clarity of recall The files of the Ozark weeklies also proved richly rewarding The editors and their rural correspondents delighted in describing the local entertainments in vivid reportage loaded with editorial comment This book illustrated with rare photographs of turn of the century diversions celebrates the centennial of an era **Ozark Magic and Folklore** Vance Randolph,2012-07-31 Includes eye opening information on yarb doctors charms spells witches ghosts weather magic crops and livestock courtship and marriage pregnancy and childbirth animals and plants death and burial and more **The Literature of the Ozarks** Phillip Douglas Howerton,2019 This book surveys two centuries of Ozarks literature from an Osage creation story to contemporary poetry and fiction This anthology presents writings from more than forty authors and connects these works to major literary movements while exploring their regional themes and their contributions to the social construction of the Ozarks **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley,2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and
