## **Radical Wright:**

**Unrespectable Radicals?** Paul A. Pickering, 2016-02-24 In 1988 Iain McCalman's seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets, infidels, pornographers and rogue preachers where powerful satirical and subversive subcultures were developed. This present volume reflects and builds upon the diversity of McCalman's discoveries to present fresh insights into the culture and operation of popular politics in the age of reform. It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary, legal and political implications. This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman. The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage to the forum of the courtroom and the depths of prison. **Renewing a Modern**

**Denomination** Andy Goodliff, 2021-01-19 This book is an exploration of the renewal of the Baptist Union of Great Britain in the 1990s, the only historic UK denomination which grew in this period. It was an exciting time with plenty of denominational activity and engagement, both theological and institutional. The book tells this story focusing on the particular individuals involved and the wide-ranging discussions centered around mission and identity, ministry, associating and ecumenism. It argues that there were competing visions emerging from two different streams of thought which, whilst not divisive, caused tension. At the end of the decade, structural changes were introduced with hope for the new millennium, but the book contends that opportunities were missed for a more deeply theological renewal. **Radical Ambition** Daniel Geary, 2009

Dan Geary has given us a brilliant new biography of C. Wright Mills, a sophisticated and engaging study suited for 21st-century readers. Never the sociological outlaw that so many of his followers once celebrated, Geary demonstrates that Mills' radicalism arose out of an intimate engagement with mainstream social science issues. He argues that Mills, like Talcott Parsons and Robert Merton, were part of a larger effort to study total social structures, but Mills always infused this quest with a subversive probe of the status quo that balanced a particularizing historicism against his constant ambition to tackle the big questions. Written with verve and insight, Dan Geary's biography is essential reading for our times. Nelson Lichtenstein, University of California, Santa Barbara. Against conventional wisdom, Daniel Geary shows how C. Wright Mills, the iconic U.S. public sociologist, was very much a product of his times and for most of his life was deeply embedded in both the academy and politics. Geary brings out the fruits and tensions of participating in both worlds, with lessons for all of us who want to continue in Mills' tradition. Beautifully written and fascinating, especially on the early years of the iconoclast intellectual Michael Burawoy, University of California, Berkeley. At last, an authentically Millsian biography of C. W. that eschews the romantic icon in order to recover the thinker in all of his magnificent ambition and complexity. Geary is a fresh wind in American intellectual history. Mike Davis

author of Planet of Slums Geary's analysis of C Wright Mills should help put this great sociologist's ideas back into college classrooms where he has been sorely missed Saul Landau Institute for Policy Studies *Arabic Series: Elementary Arabic; a grammar, being an abridgement of Wright's Arabic grammar [i.e. Wright's translation of Caspari's A grammar of the Arabic language]* Frederic du Pre Thornton, 1905 *Eugenical News*, 1925 [A Dictionary of the English Language](#) Joseph Emerson Worcester, 1884 [The Barnburners](#) Herbert Darius Augustine Donovan, 1925 *Readers' Ink, Indianapolis Library Service* Mary Dyer Lemon, 1922 *Catalogue* Sotheby, Wilkinson & Hodge, 1911 [Kleio](#), 1984 *Radical Abolitionist* William Gooddell, 1969 *A Bibliographical Catalogue of the Printed Works Illustrated by George Cruikshank* Albert Mayer Cohn, 1914 **California.
