Ragmans Memory:

The Ragman's Memory Archer Mayor, 2007 In Brattleboro Vermont Lieutenant Joe Gunther juggles several cases all of which turn out to be connected There is the murder of a runaway girl the disappearance of a local activist the death of a homeless man and the strangling of a woman due to die soon **Straight From The Ragman's Horse** Robert Fenwick, 2014-04-24 Enclosed are one boy's tales of growing up in a tough working class neighbourhood in an industrial Tyneside town in the 1950s and 1960s They are about real life and experience However the tales are also about truth lies and betrayal Comedy sits alongside pathos and tragedy sometimes uncomfortably They are fragments of the author's memories of those years but quite possibly they will also be part of the collective memory of other working class children of that era

Three Can Keep a Secret Archer Mayor, 2013-10 When an old gravesite exposes a coffin filled with rocks instead of the expected remains and a retired state politician turns up dead Joe Gunther and his team follow the evidence to an escaped mental patient who holds the key to solving both cases Presumption of Guilt Archer Mayor, 2016-09-27 A forty year old skeleton is found encased in a concrete slab at a recently decommissioned nuclear energy site It becomes a case for the Vermont Bureau of Investigation VBI and its leader Joe Gunther since they have the resources and the ability to investigate an old very cold missing persons case that has now been reclassified as murder The victim was Hank Mitchell and Gunther must chase down old rumors and speculations who benefited from his death and the disappearance of his body And was his death somehow tied to New York City mafia money being laundered through the construction project But what seems the coldest of cold cases roars back to life when one of the central figures in this mystery is shot to death right after speaking with Gunther And when a young police officer the son of VBI investigator Lester Spinney is kidnapped is that meant to be a warning to the VBI team to drop the case After all these many years the truth behind the murder still has to the power to kill and it's up to Gunther and his team to capture the living and finally put the dead to rest **The Surrogate Thief** Archer Mayor, 2007-07-31 Brattleboro is the epitome of scenic Vermont Quaint in its architecture and plainspoken in its politics it dominates the state's southeast corner as both an employment hub and an election year powerhouse all while looking like a genteel postindustrial New England mill town And yet there is darkness here too and nobody knows it better than Joe Gunther Over the years he has battled drug pushers and corporate swindlers grappled with environmental conspirators and foiled gangs and home invaders But while usually successful in his fight for the town's future Gunther hasn't always come out on top Thirty years earlier store owner Klaus Oberfeldt was robbed and beaten senseless When Klaus died six months later a case of assault and battery became first degree murder The guilty man eventually appeared to be a well known small time crook but enough time had elapsed for him to vanish Gunther distracted by his wife's losing struggle with cancer in the same hospital where Klaus was slipping from life did something that would plague him for the rest of his career He let the case go cold burying it in the past along with his private sorrows Now serendipitously reopened the Oberfeldt investigation forces

Gunther to revisit ancient history and open old wounds Torn between righting the past and confronting his demons the veteran cop faces the most personal and dangerous case of his career For somewhere on the idyllic Brattleboro streets stalks a long lost murderer who never quite disappeared and with Joe s renewed interest now has good reason to kill again **The Catch** Archer Mayor,2008-09-30 A Vermont cop s hunt for a cop killer leads him to a deadly drug smuggling operation in this gripping mystery thriller Joe Gunther head of the VBI Vermont Bureau of Investigation gets the call every law enforcement officer dreads a cop has been shot and killed A deputy sheriff was gunned down during a routine traffic stop on a dark country road From the cruiser s tape recorder it appears the killers were Boston based drug runners stopped on their way from Canada down to Boston Gunther and his team dive into the investigation determined to shut down the major drug smuggling operation Their focus turns to Alan Budney the disaffected son of a lobsterman turned drug kingpin who exploits his extended family and the clannish lobster fishing community to move drugs along the New England coast In this gripping installment of the Joe Gunther series Archer Mayor a Vermont author and winner of the 2004 New England Booksellers Association Award for Best Fiction crafts a suspenseful police procedural full of twists and turns Catch is a thrilling whodunit that will keep you guessing until the very end **Literary Luminaries of the Berkshires** Bernard A. Drew,2015-06-29 The literary history behind this beautiful mountain region The Massachusetts Berkshires have long been a mecca for literary greats from Henry Wadsworth Longfellow and Edith Wharton to Sinclair Lewis and Joan Ackermann The Green River in Great Barrington inspired William Cullen Bryant s poetry Charles Pierce Burton s childhood hometown Adams became the setting for his frolicking Boys of Bob s Hill children s books During an interlude in Lenox Patricia Highsmith consulted a local undertaker for details to use in The Talented Mr Ripley In this book Bernard A Drew brings together a fascinating chronicle of some 250 wordsmiths who took inspiration from the hills and valleys of the Berkshires Tag Man Archer Mayor,2011-09-27 Archer Mayor s Vermont police procedurals are the best thing going New York Times Book Review Across Brattleboro Vermont rich people some with dark secrets are waking up in their high security alarm equipped homes to find a Post it note stuck to their bedside tables reading You re it There is little sign of disturbance anywhere nothing stolen that anyone admits and only a bit of expensive food eaten as a signature The Press loves the story and dubs the burglar the Tag Man But who is he And what s he actually doing In fact he s quickly running for his life for what he discovers in one of these houses appears to be proof of a heinous string of murders But is it Joe Gunther struggling to recover from a devastating personal loss leads his VBI team to untangle the many conflicting pieces of evidence while the burglar himself struggles for survival in the no man s land between the police and the villains With no one knowing what to believe or who to trust with Tag Man running for his life in a way he never imagined possible as no one knows who s watching as they sleep or who truly did what the Tag Man is critically acclaimed author Archer Mayor at his very finest **The Gentleman Ragman** Wilbur Dick Nesbit,1906 Life in a small midwestern town as seen by the office boy of the village paper Cf Hanna A Mirror for the
