From Blood and Ash Jennifer L. Armentrout, 2020-03-30 Captivating and action packed *From Blood and Ash* is a sexy addictive and unexpected fantasy perfect for fans of Sarah J Maas and Laura Thalassa A Maiden Chosen from birth to usher in a new era Poppy's life has never been her own The life of the Maiden is solitary Never to be touched Never to be looked upon Never to be spoken to Never to experience pleasure Waiting for the day of her Ascension she would rather be with the guards fighting back the evil that took her family than preparing to be found worthy by the gods But the choice has never been hers A Duty The entire kingdom's future rests on Poppy's shoulders something she's not even quite sure she wants for herself Because a Maiden has a heart And a soul And longing And when Hawke a golden eyed guard honor bound to ensure her Ascension enters her life destiny and duty become tangled with desire and need He incites her anger makes her question everything she believes in and tempts her with the forbidden A Kingdom Forsaken by the gods and feared by mortals a fallen kingdom is rising once more determined to take back what they believe is theirs through violence and vengeance And as the shadow of those cursed draws closer the line between what is forbidden and what is right becomes blurred Poppy is not only on the verge of losing her heart and being found unworthy by the gods but also her life when every blood soaked thread that holds her world together begins to unravel

Born of Blood and Ash Special Edition Jennifer L. Armentrout,2026-01-13 From 1 New York Times bestselling author Jennifer L Armentrout comes the thrilling conclusion to her beloved Flesh and Fire series This special edition features premium design enhancements including sprayed and designed edges a glossed and embossed cover and an original piece of commissioned artwork The line between love and obsession has never been wider While Sera is finally free of Kolis and back with those she loves not everything is calm Memories of all she s endured still haunt her but Sera finally has hope for a future with the other half of her heart and soul Nyktos desires loves and accepts every part of her even the monstrous bits she still battles More than ever Sera and Ash have everything under the realms to fight for and Nyktos has no doubt Sera is fit to be the Queen of the Gods But she must find that faith within herself if they hope to convince the other Courts to support them against Kolis and make Iliseeum and the mortal realm better safer places for all But as Sera begins to piece together the importance of her bloodline and the true meaning behind the foreboding prophecy it becomes clear that everything that has

happened and is yet to come is much bigger than Kolis and his dark obsessions They cannot help but wonder exactly how much influence the Fates have had and what their ultimate goal is What Sera does know for sure is that they can trust very few including her A battle between the gods is brewing and heartbreaking losses are imminent with the true Primal of Death strengthening With a family of the heart willing to battle by their side can Sera and Nyktos stop Kolis before he destroys the realms or will it all disappear in a fiery inferno of blood and ash And the line between justice and vengeance has never been so thin
