Ox Cart Man:

Ox-Cart Man Donald Hall, 1983-10-27 Winner of the Caldecott Medal Thus begins a lyrical journey through the days and weeks the months and the changing seasons in the life of one New Englander and his family The oxcart man packs his goods the wool from his sheep the shawl his wife made the mittens his daughter knitted and the linen they wove He packs the birch brooms his son carved and even a bag of goose feathers from the barnyard geese He travels over hills through valleys by streams past farms and villages At Portsmouth Market he sells his goods one by one even his beloved ox Then with his pockets full of coins he wanders through the market buying provisions for his family and returns to his home And the cycle begins again Like a pastoral symphony translated into picture book format the stunning combination of text and illustrations recreates the mood of 19 century rural New England The Horn Book **Ox-cart Man. Big Book Teaching Guide** Hall, Donald, Hancock, Pat, 1989 **Ox-Cart Man Study Guide** 106, 2008-03-07 The 1980 Caldecott Medal winner This simple rhythmic story traces a year in the life of a New England farm family in the 1800 s He fills his cart with the goods his family has produced throughout the year and takes them to market After selling everything including the cart and ox he buys a few items and walks home The values of hard work patience cooperation family and contentment are woven throughout the story Setting New Hampshire 1832 Guide 21 pages 8 sections **Ox-cart Man by Donald Hall** Jean Jamieson, 1999 This beautifully illustrated children s book recreates the mood of 19th century rural New England It begins in October when a farmer and his family fill it up their ox cart with everything they made or grew all year long that was left over a bag of wool a shawl and mittens candles linen a broom potatoes apples maple sugar etc He walked the ox and cart until he reached a market where he sold everything including his cart and ox Then the man bought things that his family needed such as an iron kettle embroidery needle knife for wood carving and wintergreen peppermint candies The story continues through the winter and spring as the family makes and grows the same items that they will again sell to buy things that they need Winner of The Caldecott Medal **The Important Books** Joseph Stanton, 2005-08-18 The Important Books takes a look at some of the most significant and talked about authors illustrators and titles in the genre including Maurice Sendak Margaret Wise Brown William Joyce and Chris Van Allsburg While focusing on those books that are distinguished by some degree of originality in both word and image the author points out that the importance of picture books is not primarily pedagogical they are not intended to serve as dumbed down versions of young adult or adult novels and the audience for these great books is not solely children Because the children s picture book is designed to provide the context for an intimate transaction involving the imaginations of both parent and child there is a social value to the form that lends a special poignancy to the pleasure it provides **Ox-cart Man [by] Donald Hall** Garrett Christopher, 1997 Word study story questions picture questions reproducibles and activities for students to tie in with the story Ox cart man by Donald Hall *Some of My Best Friends are Books* Judith Wynn Halsted, 2009 Recommends books for gifted readers that provide insights and coping skills for issues they

Thus the 41 essays in this collection provide varied approaches examining point of view focus selection of details tone and even illustrations as part of the narrative identity Eight genres including picture books fantasy realism and biography receive separate study in generally brief articles by writers and more substantial analyses by critics In her contribution Jill Paton Walsh describes contemporary criticism as an impenetrable thicket of technical terms In most cases the critics here avoid jargon They speak clearly offering practical criticism accessible to anyone seriously concerned about narrative technique in children s literature Choice Although children s literature is now a recognized branch of English and American literature much of the criticism of it has focused on teaching methodology history and basic exposition Since children s books are no less a part of the literary tradition than adult books there is room for new approaches to children s literature While the importance of the voice of the narrator is emerging in criticism of adult fiction poetry and nonfiction little has been written about this subject in children s literature Examining the voice of the narrator can identify hitherto unexplored and unrecognized aspects of children s literature The essays in this collection were contributed by noted authors and critics Their inquiry is divided into eight genres the illustrated book folk literature and myth fantasy realism poetry historical fiction biography and informational books and each genre is discussed in terms of the authorial voice and the critical voice Each of the essays works toward an understanding of how the voice of the narrator functions in a given work or in the larger corpus of an author s work The result is not only a greater understanding of how specific authors shape their material and how authors use voice for particular effects but also how the narrator differs functionally from one genre to the next This unique essay collection is particularly suited for use in children s literature courses Because the contributors are some of the most significant authors and critics in children s literature in English it should also be part of any academic library s holdings in the criticism of children s literature in particular and literary criticism in general *Year Book* Illinois Farmers' Institute.
