## **Nicel Violence Problem:**

**The Victorian Novel, Service Work, and the Nineteenth-Century Economy** Joshua Gooch,2015-08-13 This book offers a much needed study of the Victorian novel's role in representing and shaping the service sector's emergence. Arguing that prior accounts of the novel's relation to the rise of finance have missed the emergence of a wider service sector, it traces the effects of service work's many forms and class positions in the Victorian novel. Violent Affect Marco Abel,2007-01-01 Countering previous studies of violent images based on representational and consequently moralistic assumptions, which the author argues inevitably reinforce the very violence they critique, he explains how violent images work upon the world.

Understanding Roberto Bolaño Ricardo Gutiérrez-Mouat,2016-11-21 An examination of the novel's short story collections and poetry of the Latin American author. In Understanding Roberto Bolaño, Ricardo Gutiérrez-Mouat offers a comprehensive analysis of this critically acclaimed Chilean poet and novelist whose work brought global attention to Latin American literature in the 1960s, unseen since the rise of García Márquez and magic realism. Best known for *The Savage Detectives*, winner of the Rómulo Gallegos Prize, the novella *By Night in Chile*, and the posthumously published novel *2666*, winner of the National Book Critics Circle Award, Bolaño died in 2003 just as his reputation was becoming established. After a brief biographical sketch, Gutiérrez-Mouat chronologically contextualizes literary interpretations of Bolaño's work in terms of his life, cultural background, and political ideals. Gutiérrez-Mouat explains Bolaño's work to an English-speaking audience, including his relatively neglected poetry, and conveys a sense of where Bolaño fits in the Latin American tradition. Since his death, eleven novels, four short story collections, and three poetry collections have been translated into English. The afterword addresses Bolaño's status as a Latin American writer, as the former literary editor of *El País* claimed neither magical realist nor baroque nor localist, but creator of an imaginary extraterritorial mirror of Latin America, more as a kind of state of mind than a specific place. Cormac McCarthy's Western Novels Barclay Owens,2000-07-01 In the continuing redefinition of the American West, few recent writers have left a mark as indelible as Cormac McCarthy. A favorite subject of critics and fans alike, despite or perhaps because of his avoidance of public appearances, the man is known solely through his writing. Thanks to his early work, he is most often associated with a bleak vision of humanity grounded in a belief in man's primordial aggressiveness. McCarthy scholar Barclay Owens has written the first book to concentrate exclusively on McCarthy's acclaimed western novels: *Blood Meridian*, National Book Award winner; *All the Pretty Horses*; *The Crossing*; and *Cities of the Plain*. In a thought-provoking analysis, he explores the differences between *Blood Meridian* and the *Border Trilogy* novels and shows how those differences reflect changing conditions in contemporary American culture. Owens captures both *Blood Meridian*'s wanton violence and the *Border Trilogy*'s fond remembrance of the Old West. He shows how this dramatic shift from atavistic brutality to nostalgic Americana suggests that McCarthy has finally given his readers what they most want: the stuff of their mythic dreams. Owens's study is both an incisive look at one of our most important and demanding authors and a penetrating analysis of violence.

and myth in American culture Fans of McCarthy s work will find much to consider for ongoing discussions of this influential body of work

**Encyclopedia of Post-Colonial Literatures in English** Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide

**Contemporary Literary Criticism** Jeffery Hunter,2005-06 Contemporary Literary Criticism covers authors who are currently active or who died after December 31 1959 Each print volume in this long standing series profiles approximately 6 8 novelists poets playwrights and other creative and nonfiction writers by providing full text or excerpted criticism taken from books magazines literary reviews newspapers and scholarly journals Approximately 90 95% of critical essays are full text Each of the approximately 200 essays per volume is prefaced by a full citation and annotation and most entries in the print series include an author portrait Other features of CLC in print include A format familiar to librarians Fully indexes by author name title and nationality Coverage of nearly 3 000 authors More than 200 volumes in print since 1974 Each volume includes cumulative author name topic and nationality indexes as well as a volume specific title index A cumulative title index to the entire series is available separately
