kid to a teenage product of the rock and roll fifties On the way he discovers the meaning of friendship love and relationships with others Living with a stern grandfather Kenny quickly adopts an aversion to garden spiders and shaving straps Pride and prejudice reign even in the poor community of Scotts Addition as Kenny learns even in church where Gods love is proclaimed from the pulpit that prejudice is alive and well He comes face to face with prejudice when in his first year of junior high school the mother of a friend from an exclusive neighborhood refuses to let her son play with Kenny because of where he lives Kenny and his friends go on escapades searching for fun and excitement They take an all night camping trip on the James River and traipse through a railroad yard of moving trains Kenny learns about girls from Della Mays first kiss to his placing an engagement ring on the hand of Kay his future wife He experiences all the excitements and depressions of a growing teen in between At fourteen he barely survives his first seduction by climbing out of a three story window When all is said and done it is the people of Scotts Addition that have given Kenny the tools to face the world outside Scotts Addition is a fun look at the forties and fifties and a tribute to the spirit and fortitude of an individual proving that you can grow up poor and still be enriched
