Verrin,2026-02-19 Marble is already climbing the cathedral walls when Silas realizes the woman beside him is wearing the same silver ring as the man who tried to carve his ribs out in the slums Bone Silk is Book 7 of the Neon Bone series and it is not a pause in the storm it s the moment the storm tightens around his throat The city of Living Ivory has never felt smaller Neon rain falls with the smell of salt and old secrets In the ruins of a shattered cathedral Silas hides while his bones rewrite themselves from the inside out The First Rib hums beneath his skin alive and restless Outside Director Glass begins testing a new weapon Crystallization turning entire streets into silent statues Pigeons freeze mid flight Children stiffen mid step The ground itself hardens beneath running feet And the only person offering him help is Seraphine Vale the woman who wears the ring of the assassin who nearly killed him Silas has survived corporate covens mechanical Harvesters and the truth of his father s Marrow Debt He s fled through Ghost Alleys that shift like traps and watched friends turn to bone But this is different This time the threat isn t just steel at his throat or hunters at his back It s trust If Seraphine is lying she can hand him over and finish what her brother started If she s telling the truth she may be the last human anchor keeping him from becoming something colder than the city itself The fallout from Sour Bone Moon hasn t faded it s accelerated His DNA is still changing The Rib doesn t just react to Crystallization It recognizes it What began as scattered hardening pulses spreads district by district tightening the net The cathedral becomes both sanctuary and trap its ivory arches vibrating with the same frequency that once swallowed the sun Silas isn t just running anymore He s standing at the center of a system that wants to use him as the final piece If he refuses to trust her the uprising fractures before it begins If he trusts her and she betrays him the city will strip him bone by bone If he unleashes the Rib to save her does he push the world closer to permanent stone And if the Rib is required to complete the transformation what happens when it stops fighting and starts answering Every choice costs him something His body His past The thin line that still makes him human Grab your copy of Bone Silk now and keep reading the Neon Bone series without delay The city is already hardening Stay with Silas or be left behind in the silence
