

Orchestration 1: Instrumentation & Orchestration Basics

06:45

OF TRAINING

For many of us, there is nothing in music more beautiful and expressive than a group of talented orchestral players performing a well-written score. The range of techniques available to each instrument along with the possible combinations of those instruments results in a 'magic' that is almost impossible to achieve in any situation.

The problem is that many of us don't possess the training or experience to confidently generate a decent written score for a string quartet, let alone a full orchestra. And even though recent technology has developed to such a point that it's possible to create a great sounding 'mock-up' with sample libraries and sequencers, unless you have a good knowledge of how all the instruments work and their expressive capabilities and limitations you are at a distinct disadvantage.

There is so much to consider.

Which instruments will be able to deliver rich, emotional
