“Parting Notes”

*“All will be made new,
...that which cannot be, will be made gone.”*

This is a compilation of final email correspondence and selected posts to the NES forum during January and February of 2015 and is now published to the PFCN website and SCRIBD.com. Important update: www.PFCN.net has been renewed through November 2017

“Endeavor to ascend into thyself, gathering in from the body all thy members which have been dispersed and scattered into multiplicity from that unity which once abounded in the greatness of its power. Bring together and unify the inborn ideas and try to articulate those that are confused and to draw into light those that are obscured.”

-Porphyry, circa 2nd century AD

Creator of All is calling in all of Itself to complete its own greater purposes. In this vastness, each miniscule part finds “home”. It is the apocastasis, the reconstitution of Creation to a corrected and more evolved state of being.

-Alex, circa 21st century AD

Apocalypse - revelation of true knowledge of spiritual gnosis

Is it not curious how “apocalypse” came to be associated with doom sday, the end of the world, and catastrophic destruction? Revelation of true knowing is an irrecoverable disaster to all that which is based upon falsehood of the Dark side of a cosmic Error.

Apotheosis - glorification of a subject to divine level

Apocastasis - reconstitution of Creation to a corrected and more evolved state of being.
