

# Partial truths

- “People rest content with partial and provisional truths, no longer seeking to ask radical questions about the meaning and ultimate foundation of human, personal and social existence.”
- “With its enduring appeal to the search for truth, philosophy has the great responsibility of forming thought and culture; and now it must strive resolutely to recover its original vocation.”

- **The document, therefore, seeks to re-establish the central place of philosophy as a search for wisdom about human life... But it goes on to maintain that this cannot be separated from the truth claim of the Christian revelation...**
