

I lost a bet with my girlfriend who had magical powers, and as punishment, she transported me into the world of Tomb Raider where I became Lara Croft. Not only was I stuck in the game until she beat it, controlling my every move but I was also stuck as Lara Croft until then. It was that day I learned that Lara doesn't wear a tank top, but a full blown leotard. Anyway she explained that if I died in the game, I died in real life. During our play through, we reached Midas Palace where I faced the risk of turning into gold if I touched Midas' hand. Despite my efforts to stop her, she jumped onto Midas hands, and I was slowly transformed into gold from the feet up. Helpless, I watched as the gold consumed me entirely, expecting to die when the gold took over my head, but instead I was met with life. I was still alive! But I was still stuck as gold, leaving me trapped as a solid gold statue for eternity! Days turned into years, and I resigned myself to my fate, forever stuck in my gold form with only my leotard, shorts, and the weight of my new body to keep me company.
