Mandarins Jews And Missionaries

Steven T. Katz

Mandarins Jews And Missionaries:

Mandarins, Jews, and Missionaries Michael Pollak, 1980 This book tells the amazing story of those almost forgotten bands of Jews who wandered into China any centuries ago and with the passage of time blended physically and psychologically into the general population although managing to remain until fairly recently a distinctly identifiable Jewish entity Most particularly it deals with the last of the several Jewish colonies that once dotted the Chinese empire the community that was established in the Sung capital of Kaifeng in Honan Province between the tenth and the twelfth centuries and still owned a synagogue as late as the mid 1800s Book jacket [Mandarins, Jews, and Missionaries](#) Michael Pollak, 1983 [Manadarins, Jews and Missionaries](#) Michael Pollak, 2003-07 This fascinating book on the history of Chinese Jews reads like an adventure story crisscrossing geographic locations to correct a number of errors Numerous illustrations Bibliography

Jews in the Early Modern World Dean Phillip Bell, 2008 Jews in the Early Modern World argues that the years between 1400 and 1700 represented a discrete cohesive and important period in Jewish history Given the significant demographic shifts that began just before and ended just after this period remarkable changes occurred in the history and experiences of Jews around the world This volume begins with a broad context of Jewish experiences under medieval Christianity and Islam It then turns to the early modern period first providing an overview of Jewish demography and settlement Next the nature and structure of Jewish community and social structures in the early modern period are explored In the final two chapters this book presents a broad overview of Jewish religious and cultural life and Jewish relations with non Jews throughout the early modern period Publisher [The Jews of China: v. 1: Historical and Comparative Perspectives](#) Jonathan Goldstein, Benjamin I. Schwartz, 2015-02-24 This interdisciplinary study examines patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately AD 1100 to 1949

The Jews of China Jonathan Goldstein, 1998-12-04 An impressive interdisciplinary effort by Chinese Japanese Middle Eastern and Western Sinologists and Judaic Studies specialists these books scrutinize patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately A D 1100 to 1949 While Jewish individuals and communities in China have been described in microhistorical antiquarian or nostalgic fashion they have never been contrasted as a whole and in a scholarly way with other Jewish Diaspora communities

The Chinese Jews of Kaifeng Anson H. Laytner, Jordan Paper, 2017-07-21 This scholarly collection examines the origins history and contemporary nature of Chinese Judaism in the community of Kaifeng These essays written by a diverse international team of contributors explore the culture and history of this thousand year old Jewish community whose synthesis of Chinese and Jewish cultures helped guarantee its survival Part I of this study analyzes the origin and historical development of the Kaifeng community as well as the unique cultural synthesis it engendered Part II explores the contemporary nature of this Chinese Jewish community particularly examining the community s relationship to Jewish organizations outside of China the

impact of Western Jewish contact and the tenuous nature of Jewish identity in Kaifeng **Jews in China** Irene Eber, 2019-11-12 Irene Eber was one of the foremost authorities on Jews in China during the twentieth and twenty first centuries a field that in contrast to the study of the Jewish diaspora in Europe and the Americas has been critically neglected This volume gathers fourteen of Eber's most salient articles and essays on the exchanges between Jewish and Chinese cultures making available to students scholars and general readers a representative sample of the range and depth of her important work in the field of Jews in China Jews in China delineates the centuries long reciprocal dialogue between Jews Jewish culture and China all under the overarching theme of cultural translation The first section of the book sets forth a sweeping overview of the history of Jews in China beginning in the twelfth century and concluding with a detailed assessment of the two crucial years leading up to the Second World War The second section examines the translation of Chinese classics into Hebrew and the translation of the Hebrew Bible into Chinese The third and final section turns to modern literature bringing together eight essays that underscore the cultural reciprocity that takes place through acts of translation The centuries long relationship between Judaism and China is often overlooked in the light of the extensive discourse surrounding European and American Judaism With this volume Eber reminds us that we have much to learn from the intersections between Jewish identity and Chinese culture **The Jews of China: Historical and comparative perspectives** Jonathan Goldstein, 1999 **Jews and Judaism in Traditional China** Donald Leslie, 1998 This wide ranging bibliography comprises primary and secondary works on native Chinese Jews in traditional China most notably the Jewish community of Kaifeng It also includes the early knowledge and writings by Chinese about Jews and Judaism as well as the early writings by Jews about China The author concentrates on primary sources and original contributions giving subheadings and short annotations for the main items and indicating his judgement of their value **Beijing Review**, 1985 **History**, 1981 **The Holocaust in Historical Context** Steven T. Katz, 1994 With this volume Steven T Katz initiates the provocative argument that the Holocaust is a singular event in human history Unlike any previous work on the subject The Holocaust in Historical Context maintains that the Holocaust is the only example of true genocide a systematic attempt to kill all the members of a group in history In a richly documented subtly argued and amazingly wide ranging comparative historical and phenomenological analysis Katz explores the philosophical and historiographical implications of the uniqueness of the Holocaust After he establishes the nature of genocide Katz examines other occasions of mass death to which the Holocaust is regularly compared from slavery in the ancient world to the medieval persecution of heretics from the depopulation of the New World to the Armenian massacres during World War I and from the Gulag to Cambodia In the first of three volumes Katz after setting the groundwork for his analysis with four chapters dealing with essential methodological issues begins his comparative case studies with slavery in the ancient Greek and Roman world and continues with such subjects as medieval antisemitism the European witch craze the medieval wars of religion the medieval persecution of

homosexuals and the French campaign against Huguenots Throughout this investigation of pre modern Jewish and non Jewish history Katz looks at the ways in which the Holocaust has precedents and parallels and in what way it stands alone as a singular highly distinctive historical event *The Holocaust in Historical Context: The holocaust and mass death before the modern age* Steven T. Katz,1994 Examines historical incidences of genocide in order to highlight both the precursors to the Holocaust and to illustrate its uniqueness **The China Guidebook** ,1990 *The China Guidebook* Fredric M.
