Maneating Tigers:

Man-eating Tigers of Central India E. Ajaikumar Reddy, 2004 Man eating Tigers of Central India brings Ajai Kumar Reddy's remote roadless Bastar of the 1950s and 60s alive once more Meandering through secluded villages and sooty campsites to the sometimes mysterious and otherwise riotous and noisy jungles abuzz with tigers leopards pythons as well as their humble prey like deer wild pigs and peafowl this is far more than just a narrative about killing beautiful but deadly tigers When a mellowing or wounded tiger can no longer hunt other animals it begins to prey on innocent villagers sometimes dragging them from their huts at night Professional hunters such as Reddy were then asked to step in for the rescue act

The Man-Eating Tigers of Sundarbans Sy Montgomery, 2001 The forest around the Bay of Bengal is home to more tigers than anywhere in the world Readers can learn about their habitat and the myths that surround them

Man-Eating Tigers of India: Man-eating Tigers of India: True Life Hunting Stories of an English Big Game Hunter [Illustrated] Samuel Baker, 2017-10-15 One of our most celebrated sportsmen who is also one of our greatest travellers a mighty Nimrod London Quarterly 1890 Sir Samuel White Baker 1821 1893 was a British explorer officer naturalist big game hunter engineer and writer Samuel Baker lived as a reputed Victorian Nimrod and was a milestone in the history of modern hunting through his works and deeds In 1891 he published a lengthy book on his life of big game hunting on multiple continents titled Wild Beasts and Their Ways It is from this lengthy 1891 book that the present book has been excerpted the present book Man eating Tigers of India focuses on Baker's tiger hunting exploits and has been excerpted for the convenience of the reader In describing an attack by a tiger on the elephant he was riding Baker writes Suddenly the elephant halted when about 15 yards from the object which had never moved I have seen wild savages frenzied by the exciting war dance but I never witnessed such an instance of hysterical fury as that exhibited by the elephant It is impossible to describe the elephantine antics of this frantic animal he kicked right and left with his hind legs alternately with the rapidity of a horse trumpeting and screaming he threw his trunk in the air twisting it about and shaking his immense head until having lashed himself into a sufficient rage he made a desperate charge at the supposed defunct enemy But the tiger was not quite dead and although he could not move to get away he seized with teeth and claws the hind leg of the maddened elephant who had clumsily overrun him in the high excitement instead of kicking the body with a fore foot as he advanced The scene was now most interesting We were close spectators looking down upon the exhibition as though upon an arena I never saw such fury in an elephant the air was full of stones and dust as he kicked with such force that the tiger for the moment was lost to view in the tremendous struggle In describing another tiger attack on one of the hunter's elephants Baker writes Before the line had time to advance there was a sudden roar and a tiger sprang from the grass and seized a large muckna tuskless male by the trunk pulling it down upon its knees so instantaneously that the mahout was thrown to the ground As quick as lightning the tiger relinquished its hold upon the elephant and seized the unfortunate mahout I never

witnessed such a hopeless panic The whole line of elephants broke up in complete disorder
