## Seek To See Him:

**Seek to See Him** April DeConick,2015-12-22 This monograph represents a critical juncture in Thomas studies since it dispels the belief that the Gospel of Thomas originates from gnostic traditions Rather Jewish mystical and Hermetic origins are proposed and examined Following this analysis the anthropogony and soteriology of Thomas are discussed The Thomasites taught that they were the elect children of the Father originating from the Light The human however became unworthy of these luminous beginnings and was separated from the divine when Adam sinned Now he must purify himself by leading an encratite lifestyle He is to ascend into heaven seeking a visio dei which will transform him into his original immortal state and grant him citizenship in the Kingdom **"Seek to See Him"** April D.
