The Cumulative Book Index, 1996 A world list of books in the English language Canadian International Lawyer, 1998 *Regional Economic Development in the European Union and North America* Morris L. Sweet, 1999-06-30 Mainstream economists have given insufficient attention to regional and urban economics and economic geography Comparing nations in the European Union and North America this book examines government activities aimed specifically at regional economic development It provides a wide ranging consideration of numerous facets of regional economic development encompassing both national and subnational levels Proposing that a period of economic prosperity is the best time to invest in regional development the author indicates the need for a direct role by the federal government The study is based on a review of the U S Canada and Mexico the European Union and supranational organizations such as NAFTA and the WTO and their internal impact on regions The comparison shows that the U S lags dramatically behind the European Union The EU particularly the Western European countries has long been in the forefront of regional policy and is actively formulating policy whereas the U S has no semblance of a federal regional policy

Macao and U.S.-China Relations Yufan Hao, Jianwei Wang, 2011 In this collection of essays edited by Jianwei Wang and Yufan Hao the contributors explore the driving factors that lie behind Macao's increased visibility including the rapid economic development and growth the one country two system administration under which they operate the influx of foreign investment and the role of Macao in China's foreign policy especially as it relates to the United States Macao underwent tremendous growth in various spheres during its evolution from a minor colonial power into a global player with increasing influence on the world stage Their enhanced international profile is largely a result of their economic and political development over the 20th century culminating with their handover to China in 1999 With more than 60 countries that have established consular services in Macao and their membership in several international organizations WTO UNESDO and the World Tourism Organization Macao continues to play an important role in the Eastern hemisphere Macao's entrance into the world market improved their reputation in East Asia and led to spectacular economic growth but it also attracted foreign investment especially from the United States that changed the cultural landscape American influence has grown steadily in Macao and with their increased

exposure to international economics and politics Macao s role as a buffer between China and United States is increasingly important Macao and U S Chinese Relations uses a local perspective to analyze the complicated relationship between these two world superpowers and Chinese foreign policy as a whole **Challenge Magazine** ,2004 **The Ethics of Tax Evasion** Robert W.
