### Abstract

This article reports research that set out to investigate men's experiences at taiaha wānanga in Waitaha/ Canterbury, Aotearoa New Zealand, and whether those experiences helped to shape tāne Māori identity. There is a gap in our existing understanding of men's experiences in this kaupapa, providing a unique opportunity to learn how mau taiaha has shaped participants' lives. The strongest themes identified within the data include cultural disconnection and the search for tāne Māori identity, along with the role of taiaha wānanga in male identity construction. An ongoing challenge of intergenerational loss of identity also represents the potential for a never-ending cycle of loss and reconnection. Taiaha wānanga are one avenue where tāne Māori identity is being restored. The connection between strengthening cultural identities and Māori health outcomes suggests that kaupapa Māori activities, such as mau taiaha, have the potential to improve men's lives through stronger connection to te ao Māori.

### Keywords

### Introduction

Te Tiriti o Waitangi/the Treaty of Waitangi guarantees Māori at least the same standard of hauora as that of all New Zealanders and the protection of taonga such as te reo Māori and tikanga Māori (Kings, 2007). Inequities in hauora between Māori and non-Māori illustrate these obligations are not being met, particularly for Māori men (Johnson et al., 2008; Ministry of Health, 2015). Average life expectancy for Māori men is the lowest in Aotearoa New Zealand, with a gap of 7.3 years between Māori and non-Māori males (Ministry

of Health, 2015). Men's health has gained greater attention in recent years, but the majority of interventions continue to focus on individual behaviour change and populations characterised as problematic, including Māori and Indigenous men (Rodriguez et al., 2017; Warbrick et al., 2016).

Cultural identity is recognised as a prerequisite for hauora within many Indigenous cultures. It has been theorised that improved access to te ao Māori, including knowledge of iwi and hapū connections, can strengthen identity and positive hauora outcomes (Durie, 1999). Activities

change practice New Zealand experimented failed succeeded and learned from the experience over five years This New Zealand experience demonstrates that interagency performance targets are a potentially powerful tool for fostering better public services and thus improving social outcomes **Mana Whakatipu** Mark Solomon, Mark Revington, 2021-08-12 In 1998 just as South Island tribe Ngai Tahu was about to sign its Treaty of Waitangi settlement with the government justice of sorts after seven generations of seeking redress a former foundryman stepped into the pivotal role of kaiwhakahaere or chair of Te Runanga o Ngai Tahu the tribal council of Ngai Tahu Mark Solomon stood at the head of his iwi at a pivotal moment and can be credited with the astute stewardship of the settlement that has today made Ngai Tahu a major player in the economy and given it long sought after self determination for the affairs of its own people Bold energetic and visionary for 18 years Solomon forged a courageous and determined course bringing a uniquely Maori approach to a range of issues Now in this direct memoir Sir Mark reflects on his life on the people who influenced him on what it means to lead and on the future for both Ngai Tahu and Aotearoa New Zealand *The Search for Better Educational Standards* Martin Thrupp, 2017-08-22 This book deals with the development of New Zealand's standards system for primary school achievement Kiwi Standards which took effect from 2010 onwards and is becoming increasingly embedded over time The approach where teachers make Overall Teacher Judgements based on a range of assessment tools and their own observations rather than using any particular national test has created predictable problems with moderation within and across schools It has been claimed that this bold Kiwi Standards approach avoids the narrowed curriculum and mediocre outcomes of high stakes assessment in other countries Yet this book suggests it just produces another variant of the same problems and demonstrates that even a relatively weak high stakes assessment approach still produces performative effects The book provides a blow by blow account of the development of a policy including the continuous repositioning of New Zealand's Government as it has sought to justify the policy in the face of opposition from educators Indeed the Kiwi Standards tale provides a world class example of teachers fighting back against policy with the help of academics There is an indigenous M ori aspect to the story as well Finally this book also provides comparative international perspectives including responses from well known US English and Australian academics *Beyond Hostile Islands* Daniel McKay, 2024-04-02 WINNER JAVIER COY BIENNIAL RESEARCH AWARD BEST MONOGRAPH Offers a fascinating window into how the fraught politics of apology in the East Asian region have been figured in anglophone literary fiction The Pacific War 1941 1945 was fought across the world's largest ocean and left a lasting imprint on anglophone literary history However studies of that imprint or of individual authors have focused on American literature without drawing connections to parallel traditions elsewhere *Beyond Hostile Islands* contributes to ongoing efforts by Australasian scholars to place their national cultures in conversation with those of the United States particularly regarding studies of the ideologies that legitimize warfare Consecutively the book examines five of the most significant historical and thematic areas associated with the war island combat economic competition internment

imprisonment and the atomic bombing of Hiroshima and Nagasaki Throughout the central issue pivots around the question of how or whether at all New Zealand fiction writing differs from that of the United States Can a sense of islandness the tyranny of distance Māori cultural heritage or the political legacies of the nuclear free movement provide grounds for distinctive authorial insights As an opening gambit *Beyond Hostile Islands* puts forward the term ideological coproduction to describe how a territorially and demographically more minor national culture may accede to the essentials of a given ideology while differing in aspects that reflect historical and provincial dimensions that are important to it Appropriately the literary texts under examination are set in various locales including Japan the Solomon Islands New Zealand New Mexico Ontario and the Marshall Islands The book concludes in a deliberately open ended pose with the full expectation that literary writing on the Pacific War will grow in range and richness aided by the growth of Pacific Studies as a research area *Hecate*, 2003
