How to Hear the Preaching of God's Word with Profit Stephen Egerton, C. Matthew McMahan, 2019-03-07. In this treatise, Egerton demonstrates the Christian's duty in hearing the word of God preached. In the first chapter, he shows what it means to take heed in hearing the word, following what Christ said: "Take heed therefore how ye hear" (Luke 8:18). Then he gives general duties in chapter 2 in relationship to preparations that ought to be made before coming to hear the sermon. Chapter 3 deals with what the hearer ought to do while hearing the sermon, and chapter 4 deals with the duties of the Christian after the sermon. Egerton takes a simplistic and manageable approach to teaching Christians what is required by Christ in hearing the Word of God preached. He is quite comprehensive to remind the believer of the most important aspects of the truth in his doctrine as it relates to the preached word. Egerton has a vivid, masterful grasp of his matter and dissects the doctrine of hearing the word preached in a catechistic manner through questions and thorough answers. Since God is speaking to the Christian in the preached word by all true ministers, that the minister's mouth is God's mouth in the act of preaching, one would do quite well to heed Rev. Egerton's application of Christ's exhortations to hear what God is saying to us rightly, biblically, and for the good of our souls. This work is not a scan or facsimile; it has been carefully transcribed by hand, being made easy to read in modern English and has an active table of contents for electronic versions.

Encountering God through Expository Preaching Ryan Fullerton, Jim Orrick, Brian Payne, 2017-06-15. Preaching occurs when a holy man of God opens the Word of God and says to the people of God: "Come and experience God with me in this text." *Encountering God through Expository Preaching* ushers preachers of all levels of experience through the practical steps necessary to preach with power. The authors not only cover the exegetical skills and homiletical techniques necessary for sound preaching, but they also dive deeper to emphasize how a pastor's character and reliance upon the Holy

Spirit are essential to preaching God's word effectively. As the preacher encounters God in preaching, he will preach with spiritual power and see lives transformed and churches strengthened.

Text Messages John Tucker, 2017-12-06 Facebook
Twitter Snapchat We live in a rapidly changing world, a world that seems to be increasingly inhospitable toward preaching. In the face of digital technology, social media, cultural pluralism, and pastoral burnout, how can Christian preachers proclaim the gospel faithfully and effectively? This book answers that question by bringing together a selection of important voices from across North America, Asia, and the Pacific. It argues that Spirit-empowered preaching is characterized by five attributes: it opens the Scriptures, engages the culture, addresses the listener, dissects the preacher, and elevates the Savior. With contributions from authors like William Willimon, Darrell Johnson, Lynne Baab, Robert Smith Jr, and Paul Windsor, this is an excellent resource for ordained ministers, lay preachers, theological students, and anyone wrestling with the challenge of preaching God's word in a smartphone world.

Relational Preaching Greg Scharf, 2017-01-14
Relational Preaching is a guide to help achieve greater depth in your preaching through developing a stronger relationship with the Lord, with Scripture, and with your listeners. Its message is direct and down to earth. Its style is devotional and prayerful. Preachers around the world will be blessed as they join the author in soaking themselves in Scripture and reflecting on what these Scriptures mean for them.

[The Power of Speaking God's Word](#) Wilbur Ellsworth, 2000
Preachers should be concerned to preach God's word with God's power. Preachers are also conscious of the need to feed their flock. This is not a book about taking short-cuts in sermon preparation, but a means of gaining more attention and having greater impact on your congregation. Ellsworth's book has been good for my soul and my preaching.

Preaching as the Word of God Sam Chan, 2016-07-12
According to the Reformers, preaching is the word of God. As the word of God, preaching is a foundation for the church. It is also vital for the personal growth of a Christian. But Christians are poorly equipped to understand how preaching is the word of God. Some Christians look for preaching that closely reproduces the text in the Bible. Other Christians look for preaching that creates maximal emotional and existential impact. And there is a lot of name-calling with Christians accusing preachers of not preaching the word. But what type of preaching is the word of God? The purpose of this book is to equip Christians to understand how preaching can be God speaking. It accomplishes this with a survey of the problem in the history of the church, a detailed overview of key biblical texts, and finally the application of the contemporary philosophical tool of speech act theory.

Jesus Began to Preach Raniero Cantalamessa, 2010-08-01
In this volume, a thoroughly revised

and expanded version of *The Mystery of God's Word* Father Raniero Cantalamessa engages the profound idea of the Eternal Word that becomes Life. The main and constant focus of the book is to show how the word of God illuminates and engages our existence. Cantalamessa uses the words of Scripture particularly those of Jesus to reflect on the meaning of a God who speaks a God who is in relationship with humanity. By encountering these words in prayer and liturgy we are invited to allow them into our minds and hearts so that we may be bearers of the word of God in the world. Raniero Cantalamessa OFM Cap taught the history of Christian origins at the Catholic University of Milan and served on the International Theological Commission. He devotes his ministry to preaching and writing and since 1980 he has been the Preacher to the Papal Household. Cantalamessa is author of *Come Creator Spirit*, *Mary Mirror of the Church*, *The Eucharist*, *Our Sanctification*, *Easter Meditations on the Resurrection*, *The Holy Spirit in the Life of Jesus*, *The Mystery of Easter*, *The Mystery of Pentecost* and *Life in Christ* published by Liturgical Press.

God's Word and Our Words W. Hulitt Gloer, Shawn E. Boyd, 2019-09-18

Written by nationally and internationally known homileticians and preachers this book offers a fascinating survey of the significant developments in preaching beginning with the Old Testament moving through the history of preaching and concluding with a look into the future all while offering practical suggestions for meeting the challenges that lie ahead. In a unique way it addresses both the academic issues raised during each period and the practical implications for preaching today and in the future.

[Performance in Preaching \(Engaging Worship\)](#) Jana Childers, Clayton J. Schmit, 2008-11-01

This volume which launches the Engaging Worship series from Fuller Theological Seminary's Brehm Center for Worship Theology and the Arts offers a unique study of sermon delivery. While many books offer advice on how to prepare, write and preach a sermon this volume is distinctive in approaching the subject from the perspective of performance. The authors who teach at a variety of seminaries and divinity schools across the nation examine how the sermon can bring God's word to life for the congregation. In that sense they consider the idea of performance from a wide range of theological, artistic and musical viewpoints. These thoughtful essays will engage clergy and students with new ways of looking at the art of preaching.

[The Dynamics of Biblical Preaching](#) Jonathan Lamb, 2016-09-30

The purpose of our lives is to know the God of the universe who made us and loves us. It is this purpose that biblical preaching meets through explaining God's word. Biblical preaching centres around proclaiming God's Word and preachers are to be mouthpieces for God as we encounter the living Christ through Scripture. Jonathan Lamb illustrates the power of God's Word by focusing our attention on the heart task and purpose of preaching by leading us through Nehemiah 8:1-12. Reworked to benefit from the author's years of experience working alongside indigenous preaching movements around the world this book includes excellent resources for group studies, preaching preparation and running a preachers group.
