Romans Paul J. Achtemeier, **Preaching Romans** Frank J. Matera, 2013-02-22 Although Paul s letter to the Romans is the most theologically charged writing of the New Testament it is rarely preached from Catholic pulpits Perhaps some of the Pauline themes Redemption and sanctification justification and reconciliation resurrection and parousia seem too daunting for homiletic purposes Not so insists Frank Matera who has learned to preach in a Pauline key that has invigorated the whole of his preaching Homilists who heretofore have avoided Romans will

appreciate Matera's insights on this text that open innovative and important ways of proclaiming the gospel. This slender volume is a gift to homilists who wish to preach from Romans with greater confidence. And to proclaim Paul's theologically rich and assuring message of God's saving grace. Frank J. Matera is the Andrews Kelly Ryan Professor of Biblical Studies at the Catholic University of America. A former president of the Catholic Biblical Association of America, he has published commentaries on Romans, 2 Corinthians, and Galatians and has written books on New Testament Theology, New Testament Christology, and New Testament Ethics. Matera's previous works published by Liturgical Press include *Galatians in the Sacra Pagina* series and *Strategies for Preaching Paul*. **Preaching Romans** Bruce E. Shields, 2004-11-01. *Preaching Romans* offers a discussion on the central issues of Romans to help preachers to develop sermons that can bring their congregations to understand, appreciate, and commit themselves to the gospel for which Paul gave his life. Shields provides exegetical help for preaching from singular passages of Romans; dealing with particular issues; help with texts for a series of issue-related sermons; and for a course of sermons through the book to communicate the whole gospel message as preached and taught by the apostle Paul. He includes sample sermons on seven Romans texts and remarks on the importance of Romans for today.

Preaching Romans from Here Lisa M. Bowens, Scot McKnight, Joseph B. Modica, 2023-12-20. Romans is the most influential New Testament book in the history of Christian theology; it has shaped Christian theology, how the gospel is framed, and how the Christian life is understood. *Preaching Romans* for many pastors is the climactic text for a preaching career. There are perspectives, e.g., reformed, new apocalyptic, participationist, among others, on Romans, but not all of them are known by most, and too many of them not known at all. We want to help rectify this by giving voice to those who have been too often voiceless. **Preaching Romans** McKnight, Scot (editor), 1901. **Preaching and Paul's Letter to the Romans** Ronald J. Allen, 2025-07-10. Ronald J. Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome. Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community, thereby undermining a primary facet of the early church: to witness to the community of love and mutual support that God seeks for all. Allen shows readers how Paul points the gentiles to the faithfulness of God who invites them to recognize and live according to the grace of God shown to them through Jesus Christ. In this pastorally engaged work, Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today, as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community. *Preaching Through Romans* Steve Schell, 2016-06-15. *Preaching Through Romans* is a handheld library of sermons covering all of Romans in 65 messages. It is designed to be used as a companion to the commentary *Study Verse by Verse: Romans*. A believer's study of the Word of God is not complete when we simply understand the meaning of a passage. We must ask the question: How does this truth apply to my life? This book is designed to help the reader take that step. Whether you read these sermons as a part of your own

personal meditation through Romans or use them to help you prepare to preach or teach it to others they will help you begin a practical journey through Paul's magnificent letter ROMANS Of all of Paul's letters this one contains the most thorough explanation of his beliefs Why Paul wanted to teach in the churches of Rome and have their support as he started planting churches in the western part of the Mediterranean Before that could happen the church leaders of Rome needed to know more than Paul's reputation they needed to be convinced his doctrine was sound Preaching Through Romans Paul Wallace,2018-10-28 44 expository sermons through the book of Romans Each passage in Romans is carefully examined in light of the surrounding passages Every sermon has numerous Bible cross references and ends with a ten questions for review The ESV version of the Bible is the version most frequently used These sermons are helpful for sermon preparation personal study devotions or small group study *The Preacher's Commentary - Vol. 29: Romans* Stuart Briscoe,2003-07-22 Written BY Preachers and Teachers FOR Preachers and Teachers Combining fresh insights with readable exposition and relatable examples The Preacher's Commentary will help you minister to others and see their lives transformed through the power of God's Word Whether preacher teacher or Bible study leader if you're a communicator The Preacher's Commentary will help you share God's Word more effectively with others This volume on Romans combines excellent biblical exposition and visionary pastoral writing to shed light on the intricacies of Paul's theology Each volume is written by one of today's top scholars and includes Innovative ideas for preaching and teaching God's Word Vibrant paragraph by paragraph exposition Impelling real life illustrations Insightful and relevant contemporary application An introduction which reveals the author's approach A full outline of the biblical book being covered Scripture passages using the New King James Version and explanations The Preacher's Commentary offers pastors teachers and Bible study leaders clear and compelling insights into the Bible that will equip them to understand apply and teach the truth in God's Word **Preaching Like Paul** James W. Thompson,2000-01-01 In contrast with the widely popular interest in narrative styles Professor Thompson believes Paul's letters offer a different and valid model for preaching today He clearly demonstrates how the manner of preaching used in the pre Christian culture of Paul is both appropriate and effective in our contemporary post Christian culture Unlike most books on preaching this book does not focus on homiletic technique but on the goal of preaching a needed missing component in contemporary homiletic discussion Romans (Teach the Text Commentary Series) C. Marvin Pate,2013-01-15 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text *Preaching Romans* ,2018-07 *Exalting Jesus in Romans* Tony Merida,2021-04-01 Exalting Jesus in Romans is part of the Christ Centered Exposition Commentary series Edited by David Platt Daniel L Akin and Tony Merida this commentary
