

**Never say mean
words out of anger.
Your anger will pass.
But your mean words
can scar a person
for life.
So use kind words
or be silent.**

Sunderland P. Gardner

Never In Anger:

Never in Anger Jean L. Briggs, 1970 Describes emotional patterning of the Utkuhikhalingmiut a small group of Eskimos who live at the mouth of the Back River in the context of their life as seen as lived by the author Based on field work conducted between June 1963 and March 1965 *Privacy* Barrington Moore Jr., 2023-04-14 This title was first published in 1984 Focusing on Brazil this text covers issues such as the legacy of colour social realities and diversions and assertive behaviour *The History of Emotions* Jan Plamper, 2015-01-22 The history of emotions is one of the fastest growing fields in current historical debate and this is the first book length introduction to the field synthesizing the current research and offering direction for future study The History of Emotions is organized around the debate between social constructivist and universalist theories of emotion that has shaped most emotions research in a variety of disciplines for more than a hundred years social constructivists believe that emotions are largely learned and subject to historical change while universalists insist on the timelessness and pan culturalism of emotions In historicizing and problematizing this binary Jan Plamper opens emotions research beyond constructivism and universalism he also maps a vast terrain of thought about feelings in anthropology philosophy sociology linguistics art history political science the life sciences from nineteenth century experimental psychology to the latest affective neuroscience and history from ancient times to the present day

Encounters with Emotions Benno Gammerl, Philipp Nielsen, Margrit Pernau, 2019-06-06 Spanning Europe Asia and the Pacific Encounters with Emotions investigates experiences of face to face transcultural encounters from the seventeenth century to the present and the emotional dynamics that helped to shape them Each of the case studies collected here investigates fascinating historiographical questions that arise from the study of emotion from the strategies people have used to interpret and understand each other's emotions to the roles that emotions have played in obstructing communication across cultural divides Together they explore the cultural aspects of nature as well as the bodily dimensions of nurture and trace the historical trajectories that shape our understandings of current cultural boundaries and effects of globalization
