## **Moon Men:**

**Moon Men!** Jason Colavito,2012-01-14 This volume collects a range of early tales from Greco Roman Antiquity down to the dawn of the Victorian Age that imagine encounters with creatures on or from the moon These stories span the centuries and come from cultures as far afield as ancient Greece medieval Japan early modern Britain and nineteenth century America Each tells an interesting tale of not just of the adventure inherent in encountering moon creatures but also of the cares and concerns of the people who projected their hopes and fears onto the lunar orb Just as real space exploration had to take small steps to our closest neighbor the moon before venturing outward into the vastness of space so too did science fiction need to start close to home before venturing across the cosmos into the depths of the unknown Read on and start retracing that journey across the sands of time and through the depths of space With tales from Lucian Washington Irving Edgar Allan Poe Richard Adams Locke and more *Swords Against the Moon Men* Christopher Paul Carey,2017-11-22 In 2076 AD Earth has been conquered and humanity brutally enslaved under the cruel tyranny of the Kalkar invaders whose evil was spawned from Va nah the Moon s hollow interior Julian 7th descendant of the great hero who led the first expedition to Va nah and nearly defeated the Kalkars receives a mysterious transmission from the planet Barsoom The desperate plea from the Red Planet swiftly hurls Julian upon a lonely quest into the heart of Va nah where he teams up with an U ga princess and a fierce alien quadruped and launches a daring rescue to save a lost Barsoomian ambassadorial mission The success of this mission depends on an unlikely alliance with the Warlord of Mars to assail the enemy s impregnable stronghold If Julian fails in this quest humanity and the entire solar system will never escape the iron grip of the Moon Men **Sixties Shockers** Mark Clark,Bryan Senn,2025-01-31 This comprehensive filmography provides critical analyses and behind the scenes stories for 600 horror science fiction and fantasy films from the 1960s During those tumultuous years horror cinema flourished proving as innovative and unpredictable as the decade itself Representative titles include Night of the Living Dead The Haunting Carnival of Souls Repulsion The Masque of the Red Death Targets and The Conqueror Worm An historical overview chronicles the explosive growth of horror films during this era as well as the emergence of such dynamic directorial talents as Roman Polanski George Romero Francis Ford Coppola and Peter Bogdanovich *The Moonmen* Anna Livesey,2011-02-01 Building on the impressive debut of Good Luck this new collection from Anna Livesey contains poems that capture the eerie and exhilarating aspects of daily life All the poems combine a crisp and shapely style with breathtaking openness and urgency in addressing personal material particularly in the poet s responses to her mother s illness and her thoughts about living in the United States **Feature Films, 1960-1969** Harris M. Lentz III,2009-12-29 This is a filmography in two volumes of not only all of the English language movies made during the 1960s that had a U S theatrical release but major foreign films exhibited in the United States as well The following information is provided for each film year of release nation of origin if other than the U S production or distribution company black and white or color running time genre production

credits cast and characters and a brief synopsis This turbulent decade is unusually interesting in the history of cinema Those films released in the early part of the decade were similar to those of the 1950s but as the years passed the offerings changed in many ways

**Moon Men Return** Scott Carmichael,2010-05-15 This book documents the role played by USS Hornet CVS 12 in the recovery of the Apollo 11 Command Module after its splashdown in the Pacific Ocean on 24 July 1969 The book covers a period of time leading up to the recovery of Apollo 11 from approximately 5 June 24 July 1969 during which crewmen of USS Hornet plus specialized NASA and DoD spaceflight recovery units prepared for the recovery operation It offers a detailed account of those preparations drawn from both historical records and the personal memories of 80 men who served on board USS Hornet and directly participated in the recovery operation The purpose of this book is to document for future generations the Navy s role in the successful final phase of the historic flight of Apollo 11 the manned spaceflight which culminated in man s first walk upon another celestial body the moon
