A Short History of Monsters Jose Padua,2019-03-27 Winner 2019 Miller Williams Poetry Prize We are the happy riders on the stream of Padua s consciousness a smart sympathetic mind at work Billy Collins Drawing on the spirit of New York City in decades past A Short History of Monsters presents the sins and obsessions of a poet nimble in beat and slam traditions In his first full length collection Jose Padua wrestles with an American dream interrupted by failure excess and other nightmares Often brash and unruly these poems range from recollections of lost drunken days to unadorned manifestations of hope Throughout the speaker redefines his relationship to pop culture praising it skewering it and mourning it by turns The poems that make up A Short History of Monsters tend toward both dark humor and epiphany diving deeply into their own despair and rising up again with existential absurdity This is a poetry that gets down into the grit and grime of the real world digging out a space to experience being alive as miraculous in and of itself
