## **Sexual Identity On The Job Issues And Services:**

Sexual Identity on the Job Alan L Ellis, Ellen D Riggle, 2014-01-09 Sexual Identity on the Job provides academics and practitioners with a solid resource for addressing sexual identity concerns and issues in the workplace. It offers corporate trainers, managers, and policymakers suggestions for creating a positive psychological environment of inclusion for all workers through policies of nondiscrimination, the availability of domestic partner benefits, and solid efforts to eliminate on-the-job discrimination toward lesbians, gays, bisexuals, and transgender individuals. It educates social service providers about company actions of which they need to know in order to effectively support their gay, lesbian, bisexual, and transgendered clients. As a compilation of scholarly and applied perspectives, Sexual Identity on the Job covers such topics as multicultural identity, multiple identities, development, legal and policy issues of employment, career development issues for lesbians, gay men, bisexuals, and transgender persons, and how inclusion improves productivity among all groups. By including both perspectives, this unique volume offers both academics and practitioners a broader knowledge of the field and relevant issues and possible solutions for sexual identity concerns and questions in the workplace. Chapters in Sexual Identity on the Job address a diverse set of issues relating to ways in which those concerned about the psychological well-being of gay, lesbian, bisexual, and transgender workers can address their needs while recognizing their desire to lead productive, fulfilling lives. The contributors, in promoting workplaces that offer all workers inclusion, safety, and a place to thrive psychologically and emotionally, cover such topics as gay, lesbian, and bisexual career development and counseling issues, managing multiple identities, race, gender, sexual orientation in the workplace, current trends in economic discrimination toward lesbians, gay men, and bisexuals, and relevant legal concerns, domestic partner benefits, the relationship between inclusion and productivity. Sexual Identity on the Job chronicles the development of research, specific concerns which have been addressed, and where current research leaves this situation. It also provides some interpretation of the past and current research and its implications for lesbians, gay men, bisexuals, and transgender workers and their co-workers. It better relationships among gay and straight workers, administration and management by promoting equal and fair treatment in regard to both legal and policy issues, and in interpersonal relationships to all employees. Corporate trainers of all levels, academic researchers, career and other counselors, and the general public will find its pages filled with applicable and helpful information.

*A Sea of Stories* John Dececco, Phd, Sonya L Jones, 2013-01-11 Take a look at how narrative has shaped gay and lesbian culture. *A Sea of Stories: The Shaping Power of Narrative in Gay and Lesbian Cultures* A Festschrift for John P De Cecco is an unforgettable collection of personal narratives that explores the historical, psychological, and sociological contexts of homosexuality in locations ranging from Nazi Germany to Colorado. Some of the prominent authors in this collection include David Bergman, Louis Crew, Diana Hume George, and Ruth Vanita. Scholars in gay and lesbian studies, political movements, cultural studies, and narratology, and anyone interested in gay history will want to explore these intriguing narratives on topics such as sex and sin.

in the South selling gay literature before Stonewall growing up gay in India and the story of an interracial male couple facing homophobic ignorance in a small town A Sea of Stories also contains creative fiction and nonfiction love stories war stories oral stories and bibliographies and a beautiful post Stonewall and post modern narrative set on a South African seascape that tells the story of two professional men and the possibility of a kiss For a complete list of contents please visit our Web site at [www.haworthpressinc.com](http://www.haworthpressinc.com) This book offers you a variety of narratives that cover a wide range including memoirs of gay Holocaust survivors and the emergence of the first lesbian and gay book club in its wake homophobia in the workplace and the use of coming out stories to enhance workplace diversity the establishment of a gay straight alliance in a Salt Lake City high school that is heavily dominated by Mormons gay literary heritage that examines the works of Langston Hughes as well as Martin Duberman Paul Monette and Edmund White in relation to the lesbian 70s creative nonfiction about a woman s love for another woman her lifelong friend Provincetown s remarkable community response to the AIDS epidemic A collection of chapters written by the colleagues and former students of John P De Cecco pioneering editor of the Journal of Homosexuality A Sea of Stories takes its title from a phrase Dr De Cecco used in his keynote address to the History and Memory conference at Allegheny College in 1997 This conference sparked the idea for this collection of essays that examine the homosexual experience through historical psychological and sociological viewpoints and homosexuality in literature These courageous stories will assist readers to know themselves more deeply to identify with others and to interpret gay and lesbian experiences in different narrative forms
