**Young Citizens of the World** Marilynne Boyle-Baise, Jack Zevin, 2009-03-03 This text takes a clear stance Social studies is about citizenship education citizenship not only as a noun but as a verb something one DOES Based on this clear curricular and pedagogical purpose it lays out a holistic and multicultural three part process for civic preparation becoming informed thinking it through and taking action Six outstanding teaching strategies and teaching learning projects throughout bring this framework life

Fostering Employee Buy-in Through Effective Leadership Communication Tim P. McMahon, 2021-07-29 Based on a case study of leadership communication in a time of organizational change this book gives new leaders insights into the tools and skills needed to become effective motivating communicators in their leadership careers Taking a holistic approach to communication and leadership the book argues that employees buy in to change when they collectively feel engaged in meaningful work that will enrich the lives of customers employees and investors Based on ethnographic research it approaches the topic through an absorbing fiction like retelling of an organization s successful navigation of change against the backdrop of the 2007 mortgage crisis In doing so it establishes a framework for leaders to understand the principles behind how and why buy in is generated in organizations This unique approach allows readers to visualize leadership

communication principles in practice Fostering Employee Buy in is ideal as a supplementary text in introductory leadership communication management and business courses or as a text for new leaders interested in inspiring organizational change
