Shadow Gate Kate Elliott, 2008-04-15 The captivating bestselling Spirit Gate swept readers into the turbulent world of the Hundred where the peace and order of life under the protection of the immortal Guardians has given way to chaos and violence In the face of a vast horde of marauders led by a rogue Guardian the bravery and resourcefulness of a lone eagle reeve and others who risk their lives for the common good have prevented death and destruction from overwhelming the Hundred Now in Shadow Gate the enthralling sequel the source of corruption of the Guardians is still a mystery to the mortals who fight to withstand the forces that have turned against them And when three new Guardians emerge a struggle begins among the immortals with nothing less at stake than the future of the land and its gods With all the color excitement and narrative power that have made Kate Elliott an enormously popular writer Shadow Gate weaves a powerful spell of action romance and magic that will enthrall legions of readers At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Shadow's Last Light Kyrian Night, 2015-04-08 Having been torn from mortal lives and thrown into immortality the Sgath brothers soon find themselves hunted Their eternity is on the line as a twist of fate has them stalked by a malicious entity from the start of their eternal lives But Calhoun Sgath looks to lead the Sgaths through the chaos fate has cast them using the perks of immortality and they are plenty Fate can destroy you but you learn to enjoy the good twists while you can After all fate is something written in actions not stone And in this new side of existence they now lived in if immortals were real then what else was possible Shadow Gate Kate Elliott, 2008-04-15 The stunning sequel to Spirit Gate **Christian Work**, 1901 **The History of Metroidvania: Decade One--1980-1990** Jeremy Parish, 2026-03-03 A chronological journey through gaming s least linear format the action RPG The metroidvania genre has become a staple of video gaming From solo indie development operations to big budget creations by the industry s top studios these exploratory action games with heavy role playing influences are everywhere But where did they come from in the first place Although the genre s name might appear to hold the answer a combination of Nintendo s sci fi adventure Metroid and Konami s monster movie action series Castlevania the metroidvania draws from a far wider range of influences The History of Metroidvania Decade One turns back the clock to trace the primal origins of one of the most popular and enduring video game formats The story begins years before anyone had conceived of the name metroidvania before the first Metroid and Castlevania games had even arrived on the scene In this exhaustively researched publication you ll see how gaming trends of the early 1980s came together to give us initial expressions of the metroidvania concept and how the design language of the genre evolved over the course of the 8 bit hardware era From text based adventures to coin op tests of pure dexterity the metroidvania took its cues from early computer hits and best selling console masterpieces evolving alongside the medium itself Like the genre itself the early history of the metroidvania features plenty of surprises and dead ends along the way but ultimately leads to a satisfying conclusion **Theatre Lighting** Louis Hartmann, 1930 **Peterson's**
