

A conceptual illustration of the intersection of spirituality and science. A person is shown from behind, sitting in a meditative pose on an open book. Their back and head are depicted with a complex, glowing network of lines, resembling a neural or energy system. Above their head, a small globe of the Earth is suspended in the air. The background is a dramatic sky with a sunset or sunrise. Two large, semi-transparent circles are positioned on either side of the person: a teal circle on the left and a red circle on the right. The word 'SPIRITUALITY' is written in white capital letters inside the teal circle, and the word 'SCIENCE' is written in white capital letters inside the red circle. The entire scene is set on a dark wooden surface.
