Present Concerns Clive Staples Lewis, 1986 Nineteen essays on democratic values threats to educational and spiritual fulfillment literary censorship and other topics all displaying Lewis's characteristic sanity and persuasiveness Introduction by Walter Hooper *Pest Management Strategies: Summary* United States. Congress. Office of Technology Assessment, 1979

Detaining Time Eric P. Levy, 2016-10-20 Detaining Time is the first book to investigate the representation of time in literature in terms of the project to reconceptualize time so that its movement no longer threatens security Focusing on the nature consequences and resolution of resistance to temporal passage Eric P Levy offers detailed and probing close readings enriched by thorough yet engaging explication and application of prominent philosophical theories of time Philosophy is here employed not as a rigid model to which literature is forced to conform but instead as a lens through which elements crucial to the literary texts can be isolated and clarified even as they concern ideas different from those expounded in philosophy The literary texts treated include Hamlet Hard Times Ulysses Mrs Dalloway To the Lighthouse a wide range of Beckettian works and Enduring Love texts distinguished by their challenging relentless original and dramatic depiction of the struggle with temporality The philosophies of time covered include those of Aristotle Kant Bergson John McTaggart C D Broad

Edmund Husserl and Gilles Deleuze **The Bloomsbury Research Handbook of Chinese Philosophy Methodologies** Sor-hoon Tan, 2016-08-25 The Bloomsbury Research Handbook of Chinese Philosophy Methodologies presents a new understanding of the changing methods used to study Chinese philosophy By identifying the various different approaches and discussing the role and significance of philosophical methods in the Chinese tradition this collection identifies difficulties and exciting developments for scholars of Asian philosophy Divided into four parts the nature of Chinese philosophical thought is illuminated by discussing historical developments current concerns and methodological challenges Surveying recent methodological trends this research companion explores and evaluates the methodologies that have been applied to Chinese philosophy From these diverse angles an international team of experts reflect on the considerations that enter their methodological choices and indicate new research directions The Bloomsbury Research Handbook of Chinese Philosophy Methodologies is an important contribution to the education of the next generation of Chinese philosophers **Pest**

management strategies. , 1979 *The Interwoven Sources of Dreams* Umberto Barcaro, 2018-03-29 The subject of this book is the study of dreaming from a specific point of view one that provides useful and enlightening results the analysis of the complex patterns of links among the memory sources of dreams The significance of these patterns is logical and emotional at the same time This approach is interdisciplinary it directly involves the fields of psychology psychotherapy linguistics computer science mathematics graph theory history of psychology literature and motion pictures However no specific advanced expertise in any of these fields is required for understanding the various contents The book is divided into three parts Part 1 is dedicated to theories and methodologies regarding dream functions and dream interpretations these

theories and methodologies are considered in the perspective of their implications for the study of links among dream sources Some meaningful examples of dreams or metaphors or dreams that can be found in poetry or motion pictures are also considered
