Omaha Blues A Memory Loop:

Omaha Blues Joseph Lelyveld, 2006-03-21 The profoundly moving family history of one of America's greatest newspapermen As his father lies dying Joseph Lelyveld finds himself in the basement of the Cleveland synagogue where Arthur Lelyveld was the celebrated rabbi Nicknamed the memory boy by his parents the fifty nine year old son begins to revisit the portion of his father's life recorded in letters newspaper clippings and mementos stored in a dusty camp trunk In an excursion into an unsettled and shakily recalled period of his boyhood Lelyveld uses these artifacts and the journalistic reporting techniques of his career as an author and editor to investigate memories that have haunted him in adult life With equal measures of candor and tenderness Lelyveld unravels the tangled story of his father and his mother a Shakespeare scholar whose passion for independence led her to recoil from her roles as a clergyman's wife and for a time as a mother This reacquired history of his sometimes troubled family becomes the framework for the author's story in particular his discovery in early adolescence of the way personal emotions cue political choices when he is forced to choose sides between his father and his own closest adult friend a colleague of his father's who is suddenly dismissed for concealing Communist ties Lelyveld's effort to recapture his family history takes him on an unforeseen journey past disparate landmarks of the last century including the Scottsboro trials the Zionist movement the Hollywood blacklist McCarthyism and Mississippi's freedom summer of 1964 His excursion becomes both a meditation on the selectivity and unreliability of memory and a testimony to the possibilities even late in life for understanding and healing In *Omaha Blues* as Lelyveld seeks out the truth of his life story he evokes a remarkable moment in our national story with unforgettable poignancy

Great Soul Joseph Lelyveld, 2012-04-03 A highly original stirring book on Mahatma Gandhi that deepens our sense of his achievements and disappointments his success in seizing India's imagination and shaping its independence struggle as a mass movement his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country's minorities outcasts and rural poor A revelation Lelyveld has restored human depth to the Mahatma Hari Kunzru The New York Times Pulitzer Prize winner Joseph Lelyveld shows in vivid unmatched detail how Gandhi's sense of mission social values and philosophy of nonviolent resistance were shaped on another subcontinent during two decades in South Africa and then tested by an India that quickly learned to revere him as a Mahatma or Great Soul while following him only a small part of the way to the social transformation he envisioned The man himself emerges as one of history's most remarkable self creations a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action Lelyveld leads us step by step through the heroic and tragic last months of this selfless leader's long campaign when his nonviolent efforts culminated in the partition of India the creation of Pakistan and a bloodbath of ethnic cleansing that ended only with his own assassination India and its politicians were ready to place Gandhi on a pedestal as Father of the Nation but were less inclined to embrace his teachings Muslim support crucial in his rise to leadership soon waned and the oppressed untouchables for

whom Gandhi spoke to Hindus as a whole produced their own leaders Here is a vital brilliant reconsideration of Gandhi s extraordinary struggles on two continents of his fierce but finally unfulfilled hopes and of his ever evolving legacy which more than six decades after his death still ensures his place as India s social conscience and not just India s
