On Earth Assignment Tuella,1995-02-01 Why were you chosen to be reborn or transported into an Earthly body at this monumental time in the history of our planet Thousands are here now to help the unenlightened endure spiritual and physical transformations of our world soon to be swept into a higher level of consciousness **The Earth Project** Larry Wood,2018-03-08 Captain Dave Dawson was Earth s first starship commander He knew that the cosmos was teeming with life He had met folks from the Pleiadian star cluster He had met people from Sirius and Lyran as well He had even met an Arcturian a very advanced race of people But he was most familiar with the race from Orion Nebula So he was thrilled when they selected him to accompany a beautiful Orion woman on a deep space mission in search of a rogue planet or two But things were not what they appeared to be Captain Dawson learned about Earth s real history The terrifying truth that was being kept from mankind He learned about alien abductions and genetic manipulation He was schooled on portals and vortexes and wormholes But the most terrifying of all was the news of who really controlled the Earth A dark cold race of beings ran things from the shadows A vile race that has conquered Earth killed and enslaved the very first colonists to the planet They no longer were content with just Earth They were ready to expand their influence to the heavens themselves Captain Dawson was assured that a plan a project like no other was unfolding to save mankind and the galaxy itself and that he had a role to play in this project He didn t know what role that would be All he knew was that he needed to return to Earth But the Orions were reluctant to let him go Droplets of Life Maxine E. Smith,2023-11-01 Who said life is just a dream The human experience is a real living event This book will take you on a journey of a little girl misused and abused but through Christ overcame her many obstacles Life taunts and it urges the will of man to yield to its system You and I are the strongest as we stand in faith You are never too old to realize who you are I was in my forties when I received the Holy Spirit and accepted the Lord in my life as ruler and Lord As the singer Tremaine Hawkins sang He changed my life and now I am free In the best of times and the worst of times whether we like the changing times that take place in our lives or not we must keep pushing onward toward the goal the purpose God has set before us We need God s favor working in our lives to keep up with the fast pace of these changing times When we find we have missed the mark repent and ask for forgiveness God is in the soul saving business He will hear your honest cries to him He loves the humbled soul the repenting heart he hates the proud and boastful As the scenes of life play out every passing moment counts in our lives We must avail knowing we live in the valley of decisions Someone once said Walk softly and carry a big stick You will go far We have come to earth from an incredibly special place in God s heart we will return to that special place where we will meet our creator What will we have to show him from our visit to earth As the wheels of life turn we learn to cope with the dust storms that arise from living How you choose to receive God s droplets of life is up to you Give thanks to Almighty God for the strength to go through and live on the other side of the storms that must come International UFO Library: Vol. 3 No. 2 Joseph J.
