Of Other Days Anthony Holten, 2014-01-14 *Of Other Days* is an account of a rural childhood spent in post World War II Ireland during the 1940s and 1950s. Portrayed against the backdrop of Tara Navan and The Boyne Valley the author relates his recollections of growing up in County Meath Ireland during an age of relative innocence and simplicity. Comprised of 85 tales of varying lengths the many different aspects of life in the Irish countryside during these years are explored in detail reflecting an Ireland which now just over half a century later in the new millennium has well and truly vanished. Originally available locally and launched in County Meath in a limited signed numbered edition of 200 copies *Of Other Days* is now also available in this second edition. Written by Anthony Holten edited and designed by John A Holten

**Dreams Of Other Days** Elaine Crowley, 2013-07-25 A powerful novel that sweeps the reader back to the great Irish famine a time of courage passion and political upheaval. When Katy O'Donnell marries handsome swaggering hard drinking Jamsie O'Hara she is as fresh and filled with dreams as her mistress Catherine Kilgoran who is marrying in silk and lace up at the big house. The story of two families whose fortunes are inextricably linked and of a small close knit community bound together by tradition and by tragedy it is also a tender and truthful portrayal of a marriage and of a woman whose indomitable spirit remains unbowed.
